as candidates for Township offices, hereby declare that our purpose in ng office is do our utmost to preserve our community as an un-ad area for Rural-Suburbon Living. opences are for nural-subording taying. We further declare that we are running for office as homeowners and tax-payers only. We are backed by no commercial interest of any kind in Farmington Township.

r armington rownship. On behalf of ourselves and other homeowners, we will work without com-promise to obtain the following in Farmington Township:

ARTICLE I (TAXATION)

We will work to guarantee a vote of the people on any and all proposed increases in municipal-type services or public-works which would increase township taxes. Furthermore, we will strive by every possible means to provide voters with all of the facts on such proposed services or public works before the voting date. We will work to secure favorable consideration for Farmington Township in relation to the other townships in the county (i.e.-County Equalization Factor) ARTICLE II (ZONING)

We will work for enforcement of existing zoning, while exploring every possibility for raising the zoning standards and strengthening the zoning laws. We will work for control of commercial building so that such building does not interfere with the area's primary function as a residential community for rural-type living.

nving. We will work to furnish all humeowners with complete and detailed information on every proposed zoning change.

ARTICLE III (ORGANIZATION)

We will conduct a thorough study to assure efficiency in all Township Departments principally in the Assessor's Department and in the Building Inspection Department. principally in the Assessor's Department and in the balance in the super-science set of the set of the set of the super-actions, especially when he is representing the township on the County Boa Supervisors. This policy will be based on, and guided by, the opinions expri-by residents at the Annual Township Meeting. We will work for intelligent cooperation between the Township Board and the School Board.
