MRS. EDWARD COVE GR. 4-0769

Pauline and Freeman Frantz were guests of honor at a buffet supper party at the home of Mrs. Cove last Saturday night celebrating the Frantz's 15th wedding anniversary. The serving table was attractively decorated by a floral spray center, an anniversary gift from Zolkover's Farmington Shopping Plaza store, and an anniversary cake. Highlights of the evening were presentation of gifts of pearls, symbolizing the 15th anniversary, to Pauline and Freeman, from approximately 20 Kendallwood friends and neighbors. Pauline was given a double pearl ring centered with

rhinestones and Freeman a pearl studded tie-bar and cuff link set. Among the guests were Mrs. Jones and Emma Arman, formerly of Bayberry Rd., Kendallwood I.

The weekend of March 7 Karen Jones, daughter of Mr. and Mrs. Jones of Thorny Branch Rd., surprised her parents when she came home from college for a visit. Three of Karen's school chums were house guests for the weekend.

Our deepest sympathies are extended to two families this week. A week ago Tuesday last, Mrs. Edith M. Everett, who had lived with Les and Harriett had been visiting his daughter, and son-in-law in Springfield, Ohio. The funeral was held in Detroit. Internment was at a Farmington cemetery.

Del Netto's father, Gordon Netto, passed away on Sunday at a brief illness. Del left on Thursday for this family home in Bedford, Iowa, because of his father's illness. Betty and Don left on Monday to attend the funeral.

BOB AND BARBARA Led-lein's infant daughter, Martha, spent one day less than one week at home before she re-entered Children's Hospital on Wednesday. Martha has suffered a recurrence of the illness she developed in February.

On Friday Sunday Netto Campbell was honored at a baby shower given by her sister-in-law, Judy Campbell, in Detroit. Eighteen guests made up the party. Del and Betty Netto first welcomed their first grandchild in May.

You Pay Less

TRUCKS are VITAL to every industry in Michigan, and no service or commodity which affects your day-to-day living could reach you without trucks.

That is the basic way in which trucks serve you. But they benefit you in other important ways, too.

For example — latest available figures show that Michigan's trucks pay over \$65,000,000 annually in State registration fees and gasoline taxes alone, plus several millions more in mileage taxes and special taxes levied on the larger vehicles. In addition, of course, trucks pay all the other taxes charged against any business enterprise in Michigan — real estate property taxes, sales taxes, intangible taxes, franchise taxes.

All these millions in taxes the trucks pay go to support the general welfare, to help pay for modern roads, hospitals, schools and colleges, parks and playgrounds, police and fire protection.

So, you see, thanks to the trucks, you pay less.

AIRMAN John A. Albu, son of Mr. and Mrs. John G. Albu of 41390 W. Ten Mile Road, Novi, has completed his first course of Air Force basic military training at Lackland Air Force Base, Texas. He has been selected to attend the technical training school for Radio and Radar at Keeler AFB, Mississippi.

Airman Albu is a graduate of Redford High School, and attended Wayne State University.

The U. S. airmail service, now 40 years old, covers more than a half million domestic and international authorized route miles. There were 1,672,373,000 pieces of domestic and international airmail handled in 1927. First airmail flight was between Washington and New York in 1918; transcontinental service became a reality two years later.
