News from Briar Hills

Bonita and Bob Hoge are very pleased to have Bonita's parents, Mr. and Mrs. Arthur Marsh from England with them. The Marshes arrived several weeks ago from their village of Frodham which is in the north-west section of England about 22 miles inland from Liverpool. This is Mr. Marsh's first visit to the States and he is greatly impressed with the number of large buildings and completely equipped with an abundance of used car lots. Mr. Marsh was chief accountant for the past 35 years for an English steel company.

Inasmuch as the Marshes will be permanent residents of our country Mr. Marsh is interested in securing a position in the accounting field. Mrs. Marsh visited our country for six months in 1955 to attend Bonita and Bob's wedding in Boston. She feels we are a more friendly people here in Michigan and enjoys it much more than the east coast. We hope they continue to feel this way and perhaps more of us will meet their charming people soon over a spot of tea.

THE KENDALLWOOD Women's Club is holding a fashion show Monday, May 25, at 8:30 p.m. at the Tansy O. Shanley Country Club. Tickets are now on sale through Mrs. There will be prizes and refreshments served. All fashions will be presented by the club members. The entire proceeds from this event will be given to the Plymouth Home for Mentally Retarded, Farmington Unit, formerly known as Farmington Children's Hospital. The hospital is involved with the care of retarded children and is in great need of funds and materials to carry on this worthy undertaking. Many volunteer workers are needed to help. If you are interested in aiding a cause such as this please get in touch with the hospital.

The combined groups of Kendallwood Farms and Kendallwood have invited the Briar Hills to the second dining event which sounds like it will be a real gala event. It is a spring dance on June 5th at Tam O'Shanley, Florida and via the Sunshine State Club. Tickets will be available soon from the committee heads, Gene Pulgeni and Tony Schmidt. Contact me for further information.

THE MURPHY'S have had as their home guests Mrs. J. J. Pelletier, who celebrated their 45th wedding anniversary Friday evening. The weekend was both the Naudens in Lawrence for the opening of the trout season. The catch was a big nothing but a grand time was had. I was sure I would get some kind of a fishing yarn out of that one.

The women's bowling league has one more night to go and 1st place has been secured firmly by the Macdoffs with the real battle over the 2nd and 3rd spots.

To Visit Capital As Top Area Patrol Boy

Ronald Otis, 22, of Edge wood elementary school, Clarenceville, has been chosen to represent his fellow area safety patrolmen at the 2nd National AAA Safety Patrol Rally in Washington, D.C., May 7-10. Ronald, who lives at 20131 Rensselaer, will be a guest of Automobile Club of Michigan on the four-day, all-expense paid trip. He will be among the 100-member delegation of Michigan patrolmen attending the rally, representing some 33 communities. The youngsters were named as outstanding among more than 50,000 patrol boys and girls who will spend over 200 hours every year safeguarding their classmates at crossings near 2,000 Michigan elementary schools.

During his stay in Washington, the Michigan group will join 35,000 other patrolmen from across the nation and Canada for the traditional march down Constitution Avenue. The five-mile-long parade is the largest held annually in the Capital.

Michigan's delegation will meet Congressmen from their home districts at a special luncheon arranged by Auto Club. Other highlights of the trip will include meeting well-known entertainers and visiting historic landmarks and federal government buildings in the Washington area.

The youngsters will board their private railroad cars at the Michigan Central Depot in Detroit on Thursday, May 6, following registration and a thorough check-up. They will depart from Washington Saturday evening and arrive back in Detroit on Sunday.

Staff members of Auto Club's safety and traffic department will escort patrolmen from outside the Detroit area to and from their homes. Two registered nurses will accompany the group on the trip.

The Macdoffs are now in the 2nd spot but losing ground to the Flubbers. Wait till next week and this tale will be told. The girls league have had two grand snack parties following bowling, the first two weeks ago at Jerry Williams home and last week at Barb Higgins. "HAPPY-DILLS" this week (not in the same league with the Orchid Giver) to Barb Higgins. Barb has turned in a grand job as bowling league president and has now taken on the task of women's activities in Briar Hill. She is the mother of three lovely children and it would not be easier to tell you what she can't do than what she can. She is a baker of some note, turning out such things as

homemade rolls or Swedish tea rings at the bat of an eye. She plays a keen game of bridge and is plotting some new way to decorate this or that in her home. Several years ago Barb and her husband, Paul, bought an old barn in Mayville, Mich. and after testing before and after pictures in which a lovely home emerged, this should happen to more barns. Yes, she sews too—drapes, slip covers, upholstery and dress creations for herself and two daughters. She is active in all sports and I firmly believe that if this dynamo of energy tells you she can't do something it's purely because she has never tackled the task. Personality—very calm and one of the nicest neighbors we all have.

Mr. and Mrs. James H. Davis announce the marriage of their daughter, Tamar, to Kent Richard Daley, son of Mr. and Mrs. Richard S. Daley of Ballou Rd., Grosse Pointe, on Saturday, April 25th. They were married in the home of the bride's parents at 2900 Wellington Rd., in the presence of the immediate families. The attendants were Mr. and Mrs. W. S. Sussner of Detroit, also students at Albion College. The ceremony was performed by the Rev. Ralph Stribe of the Presbyterian Church of Our Saviour. Following the wedding the families went to Devon Gables for dinner. The young couple had the weekend to honeymoon and were back at their classes at Albion Monday morning.

FLORENCE AND ROSS Plewes left here April 3rd in the rain and cold to drive to Florida. When they reached Bowling Green, Kentucky, with green grass in front of the motel and tulips in full bloom they had a local thrill. They drove down the new Kentucky turnpike from Louisville to Elizabethtown, then to Albany, Georgia, and Jacksonville, Florida and via the Sunshine State Club. Parkway to Pompano. Here they spent ten days resting, enjoying the itens and Weightman, swimming and bathing. From Pompano they drove across the state to Sarasota to visit an old friend of Florence's who has moved down there from Lexington, Michigan. He is a builder and has built himself a four bedroom home with swimming pool which Florence enjoyed very much as the ocean was too rough. He has a boat at Bahia Mar and took them on a 4 1/2 hour cruise around the Lost River where they saw the estates of some of our fabulously rich, like Herb Shriner, Tallulah Bankhead, etc. They had a wonderful rest and ate at many of the most interesting places before the return trip which, of course, dragged. They reached home again April 21st.

THE MURPHY'S, Elise and Mike, flew down to Antigua for a visit with friends there. Then they flew to Jamaica for ten days with friends from Milwaukee who have a vacation home on that island. They had three weeks of swimming, resting and visiting before reaching home again late Monday night, April 20th.

Bea Allen also got back late Sunday night from her three weeks visit with Marv in Pompano at the home of Marv's brother, Eldo. She enjoyed every minute of her time there resting, swimming, visiting with the other Wood Creekers also there and, best of all, planning for the time when she too will be in Florida where Marv is so happy.

FRED JENSEN is home on leave from Ft. Eustis, Virginia. He drove up to Washington to pick up Elsie Guel and bring her home with him. Elsie's parents are still in West Berlin but she left there and went to Sweden where she spent some time.

Grant Use of School Bldgs.

Use of Farmington school facilities for a fund raising dance and concert is being planned by the Citizens On-To-Dallas Committee, was authorized by the School Board Monday night.

The On-To-Dallas group is currently soliciting contributions throughout the community in an effort to raise approximately \$5,000 to cover the cost of sending the Falconaires, Farmington High singing group, to Dallas, Texas, to sing at the International Kiwanis Club convention there in June.

A spokesman for the committee, appearing before the Board, indicated that an outside dance was being considered but that use of school facilities was being requested in the event of inclement weather. The concert, to be given by the Falconaires, will be indoors, he said.

Elementary Teachers Workshop On Exceptional Child Set May 8

Farmington elementary schools will be held Friday, May 8, with all schools in the system being closed.

Theme of the workshop will be "All Teachers Have Exceptional Children."

The opening session, starting at 8 a.m., will be held at the Cloverdale elementary school with Dr. William Emerson, Oakland County Superintendent of Schools, as guest speaker.

At 10 a.m. the teachers will break up into five smaller bodies for group meetings. The group meetings topics and their leaders will be: "Pupils with Emotional and Social Problems," Dr. Sullivan of Wayne State University; "Pupils with Specific Educational Problems," Miss Jean Lukens of Oakland County Schools; "Pupils with Speech and Auditory Problems," Dr. William Freeman of Oakland County Schools; "Pupils with Unusual Abilities," Miss Ethel O'Connor of Eastern Michigan College; and "Challenging Average Pupils," Dr. Harry Hahn.

A luncheon followed by afternoon sessions will also be in small groups. Teachers of each of the elementary schools will meet separately to tie to

THE NEXT MONTHLY meeting of the Women's Association will be held next Tuesday, May 5th, at 12 o'clock at the home of Florence Plewes. We hope for a good attendance.

Last chance to tidy up before the monthly rubbish collection day on May 2nd. Pick-up, Clean-up, Spruce-up! Don't forget the big bonfire celebration on the Village Green at 8 p.m. Friday, May 1. (Saturday, same time, if rained out). Refreshments will be served by the Wood Creek Civic Association.

Can you afford their services?

When you, your wife, or one of the youngsters is ill, you want the best care possible regardless of expense. These days, sickness or accident might readily require the services of one or even all of the people shown above... and the cost of their services can add up.

The wise way to protect against the financial hardships of sickness and accident is through properly selected insurance policies designed to meet today's needs.

That is why Metropolitan is introducing two new policies which aim to help meet the heavy costs of minor illnesses or accidents and apply to many times of expense not ordinarily covered.

The first of these new policies is intended for the individual of family who already owns one

The second new policy is designed for the individual or family not yet covered by one of the Metropolitan popular basic medical expense plans.

Like the first new policy, it is designed to help you obtain for your family the necessary medical care in those circumstances which are apt to impose a serious financial burden.

It, too, provides payment towards "at home" medical expenses. The benefits provided by both these new Metropolitan plans are at a cost within the average budget.

Your Metropolitan Representative will be glad to have the opportunity to give you complete details of the many features of these two new policies... so, why not call him today?
