This was a big week for next year's crop of kindergartners on Tuesday all the kindergartners of the school for a preview of what school will be like next fall. Little Roy Smith, Robin Van Wicklin, Denise Dawson, Jerry Evers, Denise Hilliard, Mark Bowie, Greg Fritz, Bobby Ely, Gary Hodges, and David Begian all attended. David Evers, Denise Hilliard, and Robin Palomiti couldn't make it that day but will be in the class next year anyway.

SAM BEGIAN has just returned from Dallas, Texas, where he was there all a representative from the Detroit Edison Company at a conference of the Pennsylvania Electric Association held at the Country Club in Dallas. After the conference was finished he visited relatives in Philadelphia for the weekend.

We should like to meet several of our Woodbine youngsters who are graduating this spring. Sharon Hodges is among the highest in scholastic rating at the Farmington High, and Mike Chellman has also received honors for his high standing.

AT A MEETING of the Woodbine Improvement Association last week one of the main events was the election of new officers. Mr. Frank Reeder was re-elected president; vice president this year is Jim Conners. Secretary will be a new Woodbiner, Mr. Dixie Bonnor, and Treasurer, Sam Begian. The various committee chairmen are: entertainment, Margaret Fedy; restrictions, Jerry Evangelista; roads, Dexter Van Wicklin; membership, Joyce Tomlin; and schools, Frank Staron. Mr. Van Wicklin reported that collections for road chording were going very well. Mrs. M. S. Seres is the former Shirley Shaw. Shirley's parents spent the past weekend in Avoca to see the new baby.

MRS. VI RISING, formerly of Farmington but now of Anchorage, Alaska, stopped off here for a visit with Mr. and Mrs. James Heath on Parker Street. She is a member of the 49er Women's auxiliary team which has been touring the United States following the death of her husband, Mr. Robert L. Shaw of Woodring, Livonia, and paternal grandfather Mr. and Mrs. Seres of Florida. Mrs. Seres is the former Shirley Shaw. Shirley's parents spent the past weekend in Avoca to see the new baby.

ETHEL AND AUSTIN Patrick had a party last weekend in honor of 'some old friends'. They had ten couples in to visit for the evening, and served a buffet supper.

Mark Tamsen was the honored guest at a birthday party given by his parents recently. They had twenty children for the party and a large buffet lunch and then took the whole bunch to the carnival to ride the "horses".

Mr. Owen Martin has a pleasant weekend lately. He and a group of men from American Motors went up to Niles, Michigan in some trout fishing. He had a nice time but didn't catch a single fish.

Just looked out my back window and see Bob Brosch and Frank Reeder running through the yard ninety miles an hour. It seems Mr. Brosch has been riding a little goat named William from a friend who has a farm and just as they were unloading William from their station wagon William got loose and took off. He was dashing around the subdivision for several hours but Bob finally caught him on Brier Hill. He is staying at the Brosch's for several weeks in order to help Mr. Brosch get rid of some of his weeds.

MRS. AND JIM WARREN recently had a surprise birthday party for Mrs. Dale Young who is the wife of the M.C. on TV's Detroit Bandstand. The Warrens invited all the neighbors who are on the program to the party and they really had a houseful.

Mrs. McKay, Nadia Bowie's mother, has been quite with contact but is feeling much better now. Her first excursion after her illness was to a Mother-Daughter Banquet held at the Southfield United Presbyterian Church and Nadia and her daughter Alice attended with her.
