And it can save you so much trouble, too—unless you enjoy riding around until late in the day to find a vacancy sign. So remember that resolution you made last summer and phone ahead now.

A THREE WEEK excursion to Alaska last month was thoroughly enjoyed by seven boys from various Oakland County communities. Escorting the boys on the trip, covering more than 8,000 miles, was Edward J. Kuhn, Hazel Park school teacher. One of the boys on the trip was Ron Cleveland, son of the Russell E. Cleavelands of 2161 Rocky Crest, Farmington, second from right on the fence. One of the group's stops enroute was the famous Canadian Rocky Mountain resort of Lake Louise where this picture was taken. Visible in the background is the snow covered Victoria Glacier. One of the requirements for boys making the trip is that they save a substantial portion of the expense involved. "The purpose of this is to teach the boys to save for things worthwhile in life," Kuhn said.
