"Our oil heat furnace is one of the smartest investments we've ever made."

"I don't know a British Thermal Unit from a gyrocompass. All I know is that our oil heat is clean and echnomical.

clean and echnomical.

"Bob says the best thing about our oil heat is that it's safe—and it's completely authmatic too. Did you know that our oil furnace doesn't even have a pilot light? Bob says that's because it's fired by an electrical ignition system that's practically foolproof and with our fuel deplet; filling our storage tank automatically, we never have to

worry about a thing, especially pressure drops, when the weather gets cold. My Bob knows just everything."

Your Oakland Oil Heat Council doesn't know Your Oakland 'Oil Illent Council doesn't know everything, but they do know everything about heating a home with fuel oil. If you're planning to install a new furnace this season, it will pay you to contact a member of the Oakland Oil Heat Council, you will see his symbol, everywhere. He will advise you as to like many advantages of heating your home with fuel oil.
