NO TOWN IS AN ISLAND

own lives alone. It lives with its neighbors and must work with its peighbors. Its people should take an interest in the things that are good for the area and should take part in programs for development of the area.

The competition among areas for business and industry is hot and growing hotter. How well an area fares in this competition usually depends

live together.

It is almost always true that as the area goes, so goes the town.

Join hands with your local industrial develop-ment organization and the Michigan Economic Development Department to help your community prosper.
