WSCS Gen'l Meet Planned
A general meeting of unusual interest is planned for Feb. 2 for Women's Society of Christian Service of First Methodist Church, Farmington. The women have waited near a half hour for their speaker, who is Mrs. Colin Houston, the Conference president, and a member of Trinity Methodist Church in Highland Park. A cordial invitation has been issued women of Livonia Methodist, Clarenville Methodist and Orchard Methodist churches who are asked to phone lunch reservations to Mrs. Richard Nichols at GR. 4-874.

The business meeting starts at 12:15 with the luncheon at 12:15 served by the Queen Esther Circle. Children bring a sack lunch, and milk and dessert will be furnished. A nursery is provided for this meeting. The program starts at 1:15 p.m., with the speaker following devotion by Mrs. Thomas Nichols at GR. 4-874.

The Farmington High Falcons will sing at the meeting. **Christian Science**
How prayer enables man to cope effectively with the problems of daily living will be the subject of Sunday at the Christian Science services. Each section of the Lesson-Sermon on "Love" will deal with some aspect of prayer as taught by the master Christian, Christ Jesus. Selections to be read from the Bible include these verses from the Sermon on the Mount: "Ask, and ye shall be given you; seek, and ye shall find; and it shall be opened unto you: For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh, it shall be opened" (Matthew 7:7-8).

Also emphasizing the power of prayer are citations to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which include the following: "If we pray to God as a corporal person, this will prevent us from relinquishing the human doubts and fears which attend such a belief, and so we cannot grasp the wonders wrought by infinite, incorporeal Love to whom all things are possible" (312:20-24).

Turnout Good For Library Friends Meet
There was a very satisfactory attendance at the seventh annual meeting of the Friends of the Library last Tuesday evening in the library of the Junior High School. They heard Mrs. Leonard Sidwell, president, give a resume of the 1959 activities of the organization and Mrs. Kenneth Lachmann, treasurer, itemize the receipts and disbursements and summarize the financial statement for the year. Ron Jackson, vice president, and chairman of the nominating committee, announced that Mrs. Sidwell and Mrs. Lachmann would accept re-nomination to the Board of Directors and, if elected, serve another three-year term of office. Others nominated were William Harris and Mrs. Robert Douglas. This slate of candidates, as presented, was unanimously elected to the Board of the membership at this meeting. Officers for 1960 will be elected by the new Board at its next regular meeting to be held on February 16 at the home of Mrs. Wendell Brown. At the recommendation of Mrs. Sidwell, Mary Alden, who has been a director and secretary since 1962 and who declined re-nomination, was voted an Honorary membership. It was announced that the contract for film service through the Detroit Public Library, sponsored by this organization, which will be handled through the Farmington library, is expected to be completed for signature this week, making the service available prior to the first of February. The details of this service will be available at the Library and also be published in the Enterprise as soon as possible. The two films, "Wheels Across Australia" and the "Mystery of Peru" were greatly enjoyed and appreciation for securing them for the meeting was expressed to Sam Kosmynsky. Coffee and cakes were served during the social hour.

MEAs Leaders At Conference
Hazel Breshear and Florence Covey, residents of Farmington, attended a three-day leadership conference at the Michigan Education Association Camp, Mary's Lake near Battle Creek, January 22-24. The annual mid-year leadership workshop is designed to strengthen professional organizations and to brief officers of local units on specific phases of education. This year a conference highlighted federal support of schools, procedures for developing salary schedules and how the local education unit can be more effective. Don Giese, MEA staff member who coordinated the conference, estimated more than 1000 delegates of alternate delegates attended the three-day session.

ANNE M. PHILLIPS MA. 6-6335
The Schlotterbecks have another grandchild. Eric Prescott Lim was born at 4:30 Saturday morning at the Detroit Osteopathic Hospital. It may well be Susie's concern for her little dog had something to do with Eric's arrival. Both her dog and her son went to bed with a cold night. Jo's finally returned but not Susie's. She was so afraid her little dog would freeze to death Jo went out looking for him till about 1:30 A.M. Very shortly it became evident it would be wise to get Susie to the hospital, which they reached at 3 a.m. I'm glad to be able to report that the dog returned about noon on Saturday; mother and child are doing very well. They were due to be home at Jo's yesterday.

HAROLD AND Virginia Oeming celebrated their 25th wedding anniversary on January 19 by going downtown for dinner. Congratulations! Nan Plowes, Ross's niece who lives in Holland, Mich. and is attending the U. of Michigan arrived Friday afternoon to spend the first weekend of the between terms vacation period here. Ross and Florence put her on a train for Holland Sunday night, for she plans to spend two weeks working in the hospital there before college re-opens.

Alger Clark is his old active self again with something going on every day. Last Friday night he and Alice were guests of the George Buchanans for dinner at the Masonic Temple. After dinner a reporter for WJR who had been with President Eisenhower on his European tour told them of that trip.
