IT'S HARD TO WORK

Health : And Success

are such intimate relations that no one can be expected to be well acquanted with success who does not keep good hold on health. Most serious sicknesses start in minor troubles of the digestive organs. Thousands know by settal experience that beath and strength—and therefore success—

Are Increased By Use of

Beecham's Fills in time, and before minor troubles become deep-seated and lasting. This famous family remedy will clear your system, regulate your bowels, stimulate your liver, tone your stomach. Then your food will properly nourish you and enrich your blood. You will be healthy enough to take due advantage of opportunity after taking, as needed.

BEECHAM'S

Coylon Tea.

Test plantitions in Ceylon have been in estatence only 20 years, yet the annual exports of black tied amount to nearly 20,00,000 in value. Formerly coffee constitued Ceylon's main industry, but after a disease of the plant in 1830 its cultivation was discontinued. Many 'blanters, howeger, recouped themselves by tea and rubber-Thanks chiefly to the former article, the island's plat prosperity revived. To day Ceylon boasts 1,500 plantations. What is work tasked to the control of the co
