HANDLERS line up with their dogs at a training session at the American Legion Hall where the dogs have weekly instruction both in beginner and advanced classes.

Dog Graduation Held Wednesday Evening

The Detroit German Shepherd Dog Obedience Training Club held its graduation night at the American Legion Hall, 31775 Grand River Avenue Wednesday evening, March 30. The dogs, under the direction of their owners, performed various exercises taught in the previous weeks of training. Breeds of dogs participating in Obedience Trails included: German Shepherd, Irish Setter, Collie, Doberman Pincher, French Poodles, Pekinese, Great Danes, Dalmation, Boxer and the English Setter.

The Detroit German Shepherd Dog Obedience Training Incorporation is a non-profit organization. Proceeds are donated to the Leaders Dog School For The Blind Incorporation in Rochester, Michigan.

MR. RAY Chiasson, president of the club said that all club members own German Shepherds, of black and tan coloring, sable or the black coloring. Members reside in the metropolitan area. Mr. Chiasson lives in Livonia.

Every Wednesday evening at 7:30 Obedience classes are held at the American Legion Hall. Instructions are available to all breeds of dogs. Men and women handlers and owners are instructed in various excercises for their pets in obedience, individually and in groups. The training periods are in quarter years. Next quarter will begin on the first Wednesday in April. Rules of the American Kennel Club are followed.

The classes of different degree of obedience training are: Novice for the beginners at 7:30; Novice Advance, a continued training course until dog has obtained Companion Merit, at 8:30 p.m; and at 9:30 open class is held for companion dog excellent degree work. Mrs. Margret Friedman, publicity chairman, noted that the Club has held two licensed trials, under the regulations of the American Kennel Club in the past two years. A third trail is planned for the fall of 1960.

ALTHOUGH most of the dogs in the classes are there for the purpose of learning obedience to their masters, some of the dogs have excelled in their training and are entered into Obedience Trails in competition. On March 5th, at the Detroit Kennel Club Obedience Trails held at the Fair Grounds in Detroit.

Mrs. Friedman's three year old German Shepherd took First Place, scoring 199½ out of a possible 200 points, in stiff competition of seventy-two entries. Mr. John Mason, one of the Clubs trainers entered his year old English Setter, taking Second Place in the Trails, with 198½ points out of a possible 200.

A Drill Team is available for exhibition purposes at nominal charge with eight German Shepherd dogs participating. Harro Pas Auf (watch out) a film imported from Germany, showing training of German Shepherd dogs in various types of field work is available for showing to the public, clubs and etc.
