PAUL KING arrived home Tuesday from Purdue for his spring vacation. Florence is very glad of the opportunity to see him on all his visits and he is not a good correspondent.

The monthly meeting of the Women's Association was held last week Tuesday at Imogene Davis. But 12 members enjoyed the delicious desert prepared by Alice Clark and Allie Billie. They then sewed on cap pads till almost four o'clock.

Ellen Allen and a friend from Detroit drove down to Florio, Ga. where they spent three days. They spent a week at Dayton Beach before going on to Lake Worth where their husbands joined them. The friends flew back to Detroit. The Allens stayed on for another week, then drove back via Atlanta, Ga. where they spent three days with Ellen's family. They enjoyed their vacation as they had nice weather, lots of good swimming, Bronson went deep sea fishing a couple of times.

THE LAMS, Marian and Conrad, left March 30th for the Greenbriar Inn at White Sulphur Springs, W. Va. Conrad was attending a meeting of the American Surgical Association and they went on a few days ahead to get in some golf. They found the weather there as bad as here; only one of the three courses was open and that was very wet. One morning they started to play at 12:15 a.m. with a couple from New York, the sun was shining as they teed off, but soon it was sleeting. They huddled under a tree till the shower was over, played till the next shower and another huddle. By 2 o'clock they had played several holes and had to call it quits to be back in time for luncheon. Just once was Conrad able to play the
