NOTICES
In loving memory of our beloved husband and father, EARL B. COLEMAN who passed away April 15, 1959.

INGRID LAVENS, GR. 4-8530 LEE HEITH, GR. 4-9302

I just don't understand this weather. My crocus came some time ago and they are dead now. The tulips are just about ready but where is Spring?

Do you ever have things backfire when you tell a tiny little white lie, I did. The census taker came to our house last week and since I didn't have the form filled out, we sat in the kitchen and filled out the big book. Daughter Debbie was all ears and eyes as I gave names and ages of all the household.

Later, Debbie said, "Mother you told me you were 29 on your last birthday." Oh well, you can't win all the time.

Ronald and Gwen Milne entertained 21 guests at a birthday dinner in honor of Grampa Al Milne. Needless to say the house was jumping.

Brownie troop 408 took a trip to the Wassman Printing Co. in Detroit and on the way home they all had refreshments.

Speaking of the Brownies, there is a big need for leaders as we have a lot of girls ready for Brownies next fall. How about it? Call Mrs. H. Vincent, GR. 4-4150.

We say welcome back home. Jesse Lindon and Mary have a new car, a new home, a new life.

IN AS MUCH AS Shirley Hurin has the Enterprise sent all the way to Italy we will mention news of her too. She is reading all the time in Italy.

News even though it makes her homesick. Ken is in his last week of a 4 week stay at the USAF Hospital in Wiesbaden, Germany. He had a serious case of hepatitis. Shirley got it too so she will be taking it easy when she comes home. Peter doesn't get along very well with the marble floors and as a result - no front teeth. I think it would be fun to have Shirley write us a letter to show how a day goes in Italy.

Who on Marklawn is sport a pretty red confiture which gets compliments upon compliments.

Writing Awards
Mary Ellen Malaski and Jeanne Knowlton both of Clearbrook Junior High School were recent winners of writing awards in the annual scholastic writing contest.

Deny Re-Zoning
Township board members carried a motion that the request for a zoning change from residential to industrial of 3040 in Regal Orchard Subdivision be denied. The denial had been recommended by the planning board.

Some Light on a Dark Subject...
Ever wonder who some pills come in a clear, transparent bottle, while others hide behind brown or dark green glass? It's no accident... Why?

Simple daylight can reduce the potency of some medications. Consider how sunlight fades a rayon print for instance. Thus, therefore, we use dark bottles, not to hide anything, but to preserve the potency of the drug your physician prescribed for you. This is but one of the many precautionary measures taken to provide you with the very best pharmaceutical service at...
