

WESTBROOKE MANOR NEWS

INGRID LAVENS, GR. 4-8539 LEE HEITHER, GR. 4-9302

The eldest girl, around Westbrooke these days is Gwen Milne. Her family bikes it over to the Kendallwood pool. Gwen solved the "babe" problem by fitting up a contraption on the back of her bike for the little one.

Glad to hear Elaine Bean had the cast removed from her leg and can now get around with the help of crutches.

Nancy O'Hara's parents from Wisconsin were here over the weekend for a visit. Nancy finally got the go ahead from her doctor to go up and around.

The Everts and all the little Everts had a nice visit in the home towns of Morris and Hinsdale, Illinois. It's good to see dear ones again.

Luce Wesley will have the last bridge club on Tuesday.

MEMBERS OF THE ORCHARD Methodist Church are looking forward to their first service in the beautiful new church on Farmington Road, June 13. The Minister of the Church is F. Conzel.

Kendallwood Swim Club opened over the holidays and what a pretty sight, especially to us who are working on another swim club. So, once again I say instead of wistfully watching, join up now.

The baby department is busy. The Meklins of Cornet had a baby boy, Gregory Peter. His sisters, Carolyn and Lisa are happy to have another sex in the household. Not to mention Daddy who was well outnerved.

Hot off the press is I'm writing this column and that Shirley Terrell had a baby. That's one way of getting out of the Monday wash, huh?

Dr. and Mrs. Raymond F. Schoeder of Cedarburg had a baby boy May 21. Mark Frederick and his sister, Cathy are just delighted.

Marge Benjamin had a surprise luncheon for Jean Draper on her birthday.

Anyone interested in learning to play bridge can call Trudy Winder at GR 6-0292. Groups are being formed.

THE GABELS, the Drapers and the Kunk's had an enjoyable evening together going to see Flower Drum Song and later to Yeomans.

Danny Larkin, Jr. celebrated his 5th birthday with lots of little friends on Wednesday, June 8. After the party is over.

ONE OF THE special features at the Ten Mile School PTA Daffy Day Carnival will be the Navy and Marine Reserve Training Command Recruiting Trailer featuring a Sparrow Rocket and Space Suits. Navy and Marine Reserve Corps representatives will be on hand to discuss rockets and space travel for military purposes.

Big Attractions Planned Sat. at Ten Mile School

Surprises, prizes and gifts galore.

One is a portable Space Cart with a propane burner, sink and storage space. Second will be the multi-purpose room and third would be shade trees for the south side of the building.

Daffy Day is this Saturday June 11, at the Ten Mile School from 10:30 a.m. to 3 p.m. The chairman of the committee reports all is ready. Items you no longer want such as records, house plants, games, puzzles, sporting goods and wearable discards will be accepted all this week at the school.

Boys especially will thrill to the Navy and Marine Reserve exhibit provided by the Grosz Isle Station. Look for the Sparrow Rocket and Space Suits so generously provided for our future astronauts.

Merchants and friends of the neighborhood have contributed many items to be used throughout the day. When you hear bells ringing, some lucky person will receive a gift. So kids young and old, clutch your pennies and parents and join us in the Daffy Day Carnival of 1960.

The pennies will be the means of buying one of three items needed at the school and you

will vote at the fair for the item you think the school needs most.
