

Wandering Thru Woodbine Sub.

LOIS HOELSCHER
GR. 4-0460

On Wednesday evening, May 25, the ladies of Woodbine met at the Farmington Savings and Loan building for the 2nd of Woodbine Hen Party. Social and financially the card party was an overwhelming success.

The committee members whose efforts made the party possible were: Mrs. Elva Bunting, chairman; Mrs. Elva Bunting, Mrs. Thelma Haffley, Lois Hoelscher, Eleanor Radke, Margot Thieleman, Lois Wood, and Delores Haffley.

The committee wishes to thank all those who contributed prizes. The donations were so plentiful that almost every lady present carried home a prize.

Note: The almost - some of us just aren't lucky. There are those who are very lucky. Take for instance Thelma Haffley who held the winning ticket for the chance lounge. Coffee and delicious home baked cakes finished off the evening.

WITNESSING all this cooperation may have been reason for prompting the overheard remark that the ladies of Woodbine (there should be an Association of Woodbine Women).

Last Saturday amidst the raindrops, a group of neighbors enjoyed a progressive dinner at Mrs. O'Connell's and cocktails at Ginny and Jim Connors'. Salad at Eleanor and Bud Radke's. The party enjoyed a progressive dinner at Mrs. O'Connell's and cocktails at Ginny and Jim Connors'.

THIS SPRING has been a busy one for the Kiehl family. The family of four celebrated the 4th birthday of their youngest son, James, on May 2nd. The party was held at the home of the Kiehl family.

Joining in the party were Mrs. Mary Lou Conn, Carol Feiten, Cath Spieker, and Spieker. James' birthday present given to her by her grandparents, Mr. and Mrs. Harry Carlson. One candle was blown out on James' birthday cake Sunday the 5th. (Lori had a birthday cake too - her second one!) When James saw his sister blow out the candles on her cake she promptly let out a shout of joy.

Our sincere sympathy to Jessie Gidday whose mother, Mrs. Mary Gidday, of Boston, Massachusetts passed away recently. Jessie and Bill traveled to Boston for the services.

Barbara Broch who has been seriously ill is still on the mend. She is expected to return to school.

Harold Chellman's father, Mr. Gunnar Chellman of Tampa, Florida is visiting with Mary and Harold.

THE RUGGED fishermen have returned. Chuck Fink, Gene Miller, Cecil Perkins, and Bud Radke are home after 10 days of roughing it in the wilds of Northern Michigan. They all grew beards rather than use up valuable fishing time shaving. They flew by PBY to Trout Lake where they caught 80 trout and packed in 10 to the other lakes for pickled and pie.

They planned to camp at the Chaplain Gene Preserve, however, the main road was washed out, so they camped in an area between Thessalon and Chaplain. Cecil and Gene raced a lake but with the motor wide open the bear swam faster than they could in their outboard.

Gene Miller really has the fishing fever. After being home for a week he took Betty and the boys Don and Mike to Little Cedar Lake near East Tawas where they fished in Tawas Bay and caught 50 fish.

Mary Chellman, Gwen Wrigley, Jessie Gidday, and Mabel Smith enjoyed a pot-luck luncheon last Friday at the home of Mrs. Gidday. Farmington Cancer Society. The ladies were a get-together for all the various Cancer sewing groups.
