A GROUP of young teenagers, members of the Salem Church Senior Sunday School Class, and young teenage friends from other church groups are shown here just before boarding a bus for Detroit to learn more about the differences of the various religions. They visited Catholic, Jewish and Protestant churches on the trip.

### Salem Group Has "Go-See"

The Senior Sunday School Class of Salem Church (a group of teenagers) had a "go-see" tour Saturday, June 15th. This was the first "go-see" tour ever undertaken by a suburban church group. It was planned with the help of the Detroit Round Table of Catholics, Jews and Protestants. At 1 p.m., they visited Gesu Roman Catholic Church. The Rev. Arthur J. Lovell, S. J., Chairman of the Theology Division of the University of Detroit, conducted a tour of the church. Then he talked on the differences and similarities of the Catholic and Protestant Churches and held a question and answer period. At 2 p.m., at Temple Israel, Dr. Leon Fran, the senior Rabbi, spoke on the similarities and differences between Protestantism and Judaism and answered a question and answer period. At 3 p.m., Rev. Louis Taylor conducted the tour of Mayflower Congregational Church.

### Girl Scout Activities

The Troquois Woods girl scout meeting was held at the home of Mrs. Cecil Bedson at 20330 Hugh Street, Livonia. Plans were made for our next meeting of the year. The group is planning a "Scout's Own." It will be held at the home of Mrs. Charles Kellowe, 2115 Robinson. The theme will be "God, Nature, and a Girl Scout." A short business meeting will be held and the evening will end with a complete report of Mrs. Richard Schulkins and Mrs. Richard Thornton have finished a campcraft course and spent the weekend of May 31 at Camp Narain. Mrs. Robert Dennis has been oriented as a campcraft leader for Troquois Woods. Mrs. Robert Dennis will be a counselor for session four at Indianwood this summer and will work with ten and eleven year old girls. Mrs. Richard Schulkins will be food manager for session three, July 18-22 at Indianwood. Before working as food manager Mrs. Schulkins was a unit counselor for third session for the years 1958 and 1959.

### AAUW Picnic Set for June 12

A family pot luck picnic June 12, 1960, beside the pool of Mr. and Mrs. David Mills will highlight the current season activities of the American Association of Women, Farmington Branch. Mrs. George Nahstoll, Jr., will attend the President's Houseparty June 19th in East Lansing to meet with presidents of AAUW branches throughout Michigan.

### Area Girls Get Marygrove Degrees

Farmington residents Judith Carole Jagrowski and Mary Irene Satory were among the 161 graduates receiving degrees during the 50th annual Marygrove College commencement ceremony held Wednesday afternoon, June 1 in the Detroit campus auditorium.

A home economics major, Judith was granted a bachelor of science degree and a Michigan state provisional teaching certificate.

Active in her major department, she was a member of the So Bheas Club for home economics students.

She is the daughter of Mr. and Mrs. Leon Jagrowski, 28370 West Ten Mile Road.

Mary, an art major, was granted a bachelor of arts degree and a Michigan state provisional teaching certificate.

During her senior year at the college she served as historian of the Marygrove Art Club.

She is the daughter of Mr. and Mrs. Edward Satory, 24008 Earl Court, Farmington.

Mary Frances Barden, daughter of Mr. and Mrs. E. M. Barden, 33224 Bopore Drive, received a Bachelor of Science degree in Nursing. Miss Barden was elected to the highest honor society at Mercy College, Sigma Phi Sigma and is listed in Who's Who among students in American colleges and universities.

### FASCINATING FACTS ABOUT NATURAL GAS

**"Will-o'-The-Wisp"**  
Air that made people light-headed, a mysterious flame that burned night and day, a pool of water with fascinating burning bubbles; those were the **FIRST** contributions that nature's "will-o'-the-wisp"-elusive, mystifying Natural Gas — gave to the world. Then Bill Hart drilled a well and lighted an inn. . . . Natural GAS had a job to do.

**Servant "Extraordinaire"**  
Now Natural GAS does more jobs than Bill Hart could have dreamed of. In the modern all-gas kitchen this miracle fuel does the cooking, refrigerating, water heating, clothes drying, home heating and air conditioning — even indoor incinerating. A clean, pure source of energy, Natural GAS is the household servant "extraordinaire!"

• For the modern homemaker, Natural GAS is an ideal fuel; clean, dependable, and requiring no storage. Call or write Consumers Power Company for information as to how this miracle fuel can cool as well as heat your home.

**GET THE FACTS — BETTER YET — GET GAS!**
