

Michigan asparagus supplies will decrease after the first of the month.

Dickie Lou Market is open daily until 12 and Sundays until 9 a.m.

The record speed for any animal is held by a bird — the frigate bird. It has a flying speed of over 100 miles an hour and has been credited with a hard-to-believe record of over twice this speed.

## Farmington Acres News

Marie J. Miller

GR. 6-2099

I Don't think anyone should mention getting a beautiful tan, to Pooch Haas, for the rest of the summer. Pooch and Bud both have been working like mad in their front and back yards. Pooch especially has been working in what she calls her "Truck Garden", and obviously has not been paying too much attention to the sun. But now, she is recuperating in Plymouth General Hospital from second and third degree burns on her back. So — (my advice to you — keep your eye on that old sun! Hope you are feeling better by now Pooch.)

My most sincere apologies go to Master Jim Hansen, 16 year old son of Jim and Kay — for missing this important bit of news. Are there any baseball talent scouts around? Jim was presented his baseball letter at the Athletic Banquet of Farmington High School over two weeks ago. Sorry to be so late Jim, but when you are signed up with the Tigers, I'll be first on hand!

Now here is the greatest deal in the world for a teen-ager who goes in for babysitting. The Neil Thibodeaus of Meadowlark will be going to their cottage in Grand Haven for the whole month of July. Now — what they want is a gal they can depend on to GO WITH THEM to watch the children when necessary. Not only a vacation is offered — but pay too! What more could a gal ask for? Of course, there will have to be permission from her parents because a whole month is a pretty long time and also a talk with the baby-sitter and her folks. How bout it gals? It's a chance to earn money toward your fall clothes and have a vacation besides.

AND NOW THE latest in Perry Masons! "Who Dun It?" "The Case of the Watered Lawn" Seems the Millers and the Gibbs of Meadowlark were away most of Sunday afternoon and on returning home, the Millers started to water their back yard only to find it already soaked. After checking with a few neighbors, they found that it had not rained in the area all afternoon. (Quite obvious, my dear Watson, when the lots on either side of the Millers were bone dry.) And then checking with the Gibbs, found that they had not watered it, but someone had used the Gibbs hose and left the faucet on, leaving a muddy mess. The Millers would like to throw the culprit for sparing them of the job and the Gibbs would probably like to write the culprits' neck. So "Who Dun It?" Please contact Scotland Yard if you have any information. A muddy child, perhaps?

And then there is the man that is so sensitive when his wife spends money. She went out and bought a can of tomato sauce (10c) without his knowing about it. Imagine the nerve! It seems that the Welsh family on Flanders are quite upset because they have not been welcomed in print as new neighbors. How many months did you say you have been living here? He is a reporter on Flanders. How bout it somebody?

AND WHO IS that "lady" who will go to no end to get drivers to slow down through the acres? It is a class who (as if you didn't know) if she catches you going 26 mph you'll never hear the end of it! The speed limit is 25. Seriously though, she would like to say, please don't feel offended if she

yells at you. It is only for the safety of the children. No hard feelings.

Guess the boys are winning the big race round here. Mr. and Mrs. Donald Gee of Meadowlark, proudly announce the birth of a 6 lb. 7 oz. boy, James Allen, born June 5th at Detroit Osteopathic Hospital in Detroit. This fellow is another little red-head. Wonder if he will have a temper like brother Johnnie? Congratulations to all four of the Gees!

That makes 3 boys in about a month's time. There are about eight more births expected by early fall. Place your bets now! P.S. For Cathy's sake, I hope it's a girl.

A reminder of the Family Picnic for Farmington Acres residents — to be held July 10th at Kensington Park. Don't forget — races and games for all ages, prizes for the winners from 8 a.m. to 8 p.m. Come when you can — leave when you want to. Bring your own food and refreshments. Make your plans now — mark your calendar and you will not forget. We would not want you to miss out on all the fun. Don't forget — JULY 10 — KENINGTON PARK.

The Nursery School ideas are still being tossed around — more information available by calling Marie Keefe Gil 6-3266 and Sandy Schurr 4-7023. Ages will be from 3 to Kindergarten (do I spell that right?) age. If you think you would like a nursery school at the acres, please call these gals.

A VERY LATE welcome to two more families who moved in recently. The Reischneiders at 26906 Robinwood — John and Valista — two children John and Sharon. (Sharon is a teenager and baby-sitter) They are from Detroit. Amanda and Elnard Aho (This is a Swedish name I believe, I'll really be in a pickle if it isn't!) They are from Farmington and reside on Laurwood. Welcome Aboard — Hope you like it here at the Acres.

If the thought has ever entered your mind as to how many lots there are around this place — it numbers somewhere around 1371. Surprised? This does not include about 15 families. This is why we ask you to please drive slowly through the subdivision. I imagine that when the subdivision nears completion that number will be more than doubled. Also, even if you do drive slowly — please watch out for balls bouncing in to the street, and may be the small child running after it.

A long deserved thank you goes to the Thibodeaus of Meadowlark. Without the generosity of these people, this column may not even exist. They loaned me their typewriter. P.S. Am taking very good care of it too!

See you next week.

### Richard Tandy One of 119 Anderson Grads

Richard E. Tandy, son of Mr. and Mrs. Robert Tandy, 24065 13 Mile Road, Farmington, was among the 119 students in the Anderson College of Anderson, Indiana graduation class.

Tandy, a Farmington High School graduate, majored in Bible and biology. The commencement exercises were held June 13.

The moose has a very acute sense of hearing. In trusted snow it is believed that they can hear a man on snowshoes as much as half a mile away.

RICHARD H. PERRY

WESLEY A. SCOTT

## Scott & Perry Win Promotions

Two Farmington men have been promoted to top level positions by the Michigan Bell Telephone Company.

Richard H. Perry, of 31810 N. Marklawn, has been appointed the company's general rate planning supervisor, and Wesley A. Scott, of 32240 Craftsburg, has been named to the post of general accounting supervisor.

Both appointments are effective immediately.

Perry, who first joined Michigan Bell 20 years ago in the plant department, was planning engineer in the engineering department prior to his promotion.

EXCEPT for a three-year assignment in New York with the American Telephone and Telegraph Company, from 1953-56, Perry has spent all of his career in the Bell System with Michigan Bell.

A past treasurer of the Farmington PTA Council, Perry currently is active in the Little League in Farmington. He also is a steward of the Orchard Methodist Church.

During World War II, Perry served as a major in the Air Force and flew 43 combat missions in the European Theater. He now is a lieutenant colonel in the Air Force Reserve.

Perry, a native of Grand Blanc, Michigan, earned an electrical engineering degree at Wayne State University. He is married and the father of four. He and his wife, Audrey, have four children, Mary Lynne, 13; Richard, Jr., 11; Belle Ann, 10; and Cille, 1.

SCOTT LIKEWISE is a career Michigan Bell employee, having first joined the company in the plant department in 1937.

Prior to his latest promotion, Scott served as assistant division

### Spicer Among Bowdoin Grads

Among those receiving Bachelor of Arts degrees June 11 at Bowdoin College's 155th Commencement exercises, held in Brunswick, Maine, was Nicholas G. Spicer of Farmington.

A graduate of Farmington High School, he is the son of Mr. and Mrs. William J. Spicer of 24915 Farmington Road, Farmington. A member of Alpha Delta Phi fraternity, he majored in government and was a James Bowdoin Scholar for three years. A member of the Dean's List, he was active in dramatics, debating and was vice president of the political forum during his junior year.

## Kiwanis Group To Hear Singer

Diane Franjae, 1956 graduate of Farmington High School, will be the featured soloist from the Michigan District when the Kiwanis International convention gets underway in Miami, Florida June 26.

Diane is known to many as the Kiwanis "Sweetheart of Song". The University of Michigan senior has performed for many Kiwanis groups in recent years and has endeared herself to that organization.

Her singing background includes lead parts in such University productions as Oklahoma, and Carousel and is she well remembered by Farmington residents for her outstanding contributions to the Cantatas at Farmington High School.

Lloyd Smith, delegate from the Farmington Kiwanis Club, will take this entire family for a short stay in Miami while he is attending the convention.

### At Denver Meeting

Donald G. Heinson and Richard E. Schaft, both of Farmington, recently returned from the national spring conference of the Equitable Life Assurance Society held at the Denver Hilton Hotel.

Can you qualify for "Good Driver" Savings?

Good Drivers, our Company believes, should be entitled to lower insurance rates than others. You can qualify as a good driver with our Company if you are an adult who has driven without an auto accident or auto insurance claim during the past two years.

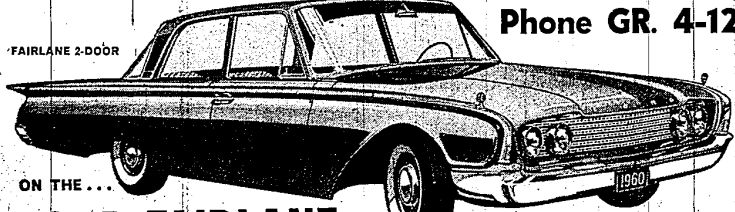

As a good driver, you get the benefit of lower, reduced rates starting with the day you are accepted — and your savings are increased for additional accident and claim free years.
