C.S. Service to Cover Healing

Universal availability of the healing and saving power of the Christ, Truth, will be a theme dealt with at Christian Science services Sunday. The account of Christ Jesus' healing of the woman "which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself" (Luke 13) will be included in the Bible readings. "Christian Science" will be the subject of the Lesson-Sermon.

A CITATION to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy dates (456:3) "Truth casts out error now as surely as it did nineteen centuries ago. All of Truth is not understood; hence its healing power is not fully demonstrated."

The universal nature of divine power is also brought out in the Golden Text to be read from Isaiah (52:10) "The Lord hath made bare his holy arm in the eyes of all the nations; and all the ends of the earth shall see the salvation of our God."

WESTBROOKE MANOR NEWS

INGRID LAVENS, GR. 4-8359 LEE HEITNER, GR. 4-9302

I trust all you dear old dads had a nice Father's Day with little remembrances from your families.

Things have been pretty quiet around the Manor the last week, or it seems, inasmuch as not a soul called in a news item. Come on, gals, help out just a little bit.

Lee and Pat Vorce combined business and pleasure with a trip to New York and New Jersey. First they left on Bob at Camp Dix to await traveling time to Germany. Next they went to Amsterdam, New York to visit Pat's parents. Pat's father has been quite ill of late and we wish him a speedy recovery.

ONE OF OUR newer neighbors, the Kapernans, ventured to the upper peninsula for a few days for their first trip around Michigan. They enjoyed it very much and can't wait to explore the area more thoroughly. However little Charlie made the trip. They enjoyed it enough travel, I want to go home and play."

The Kreeson dancing studio had their yearly recital at Farmington. They plan to visit friends and families on their three month vacation from Hawaii. Imagine vacationing from that vacationland!

THERE WAS a family gathering at the John's home after six years. The Klingers showed movies of their home in Aiea and the points of interest on the island of Oahu. Sunday they were guests of the Heithers and then went on to renew old acquaintances in the Metropolitan Hotel in Birmingham where they also presented their movies.

Lee Heitner left Tuesday to attend Phil Upston Omernick's birthday convalescence delegate of Alpha Gamma Alumnae Chapter. The convalescence is being held at Iowa State University in Ames, Iowa.

The Everts had the pleasure of entertaining the Scherzerts over the weekend and decided that was as good a time as any to have a few neighbors in to enjoy the fun. Mary thought it would be nice to mention she spent Sunday washing dishes. Daughter Carol Ann graduated from Farmington High and is anxious to find a job during the summer.

BY THIS TIME you no doubt know that the Woodbrook Hills Swimming Club is looking for an other site for the pool. It's too bad when one man can stop a dream temporarily, inasmuch as this pool is just under way. But because one individual has a pool in his yard does not mean we all can do the same. We will just plug along and get

There was a birthday celebration at the Wilberts of Ivywood Dr. Maria had a dinner for her father, John Romanoff observing his 72nd birthday.
