"MANUFACTURERS... that's my bank!"

"Yes... and I'm especially pleased because it earned me an extra compliment today! When Mr. Ward delivered our garden supplies he remarked how well-kept our lawn and garden look. Then, when I paid him with a Manufacturers Special Check, he complimented me again on being a good business woman. I always know where my money goes because I pay all my bills with Special Checks. And, I pay only \$2.50 for 20 checks with our names imprinted." Why don't you try this modern way of paying bills... by mail, by check. You'll like it!
