

Many a housewife spend two hours a day telling her neighbor she doesn't have enough time to do her housework.

Quiet people aren't the only ones who don't say much.

Ruth M. Gazley Weds Navy Man

Ruth Marilyn Gazley of Farmington became the bride of Donald James Lester in a double ring ceremony at St. Paul's Chapel of the United States Navy Training Center in Baltimore, Maryland, July 15 with Father Blidde performing the ceremony.

The bride is the daughter of Mr. and Mrs. Alvin S. Gazley of 31629 Shaw, Farmington and the groom is the son of Mr. and Mrs. Walter Lester of Buffalo, New York.

The bride wore a white tulle gown with an overskirt of embroidered nylon. On her head she wore a cap of cultured pearls with a shoulder length veil and she carried a bouquet of pink carnations, orchids and stephanotis.

Mrs. SYLVIA Balcom, the matron of honor, wore an orchid print dress, carried a bouquet of pink carnations, orchids and stephanotis. Mrs. Balcom is a sister of the bride and resides in Farmington.

The bride's mother chose a blue floral print silk jacket dress with matching hat and accessories. She wore a white apron.

Gerald Murphy of Grant's Pass, Oregon, a classmate of the groom, served as best man. Lewis Wilson of Los Angeles was the usher.

Following the ceremony an outdoor reception was held at the home of Gerald Murphy in Manor Heights, Maryland.

The bride, a 1949 graduate of Farmington High School, has been serving in the Navy for the past 7 years. Her husband has been in the Navy for five years. Because of their duties at the many schools the couple will take a wedding trip at a later date.

MR. AND MRS. CAREY COE

Plan 50th Anniversary Party For Carey Coes

An open house in honor of the 50th anniversary of Mr. and Mrs. Carey Coe of Farmington will be planned from 4 to 8 p.m. August 6 at the Friendship Room of Farmington Savings and Loan.

Plans for the gala occasion are being worked out by the couple's two daughters, both of Detroit, and their son, who lives in Pontiac. A large group of friends and relatives are expected to take part in the celebration.

Mr. and Mrs. Coe moved to Farmington in 1914, just four years after their marriage in Pontiac. Mrs. Coe, the former Alice Cole, was born in Waterford and moved to Farmington as a young girl where she attended school. Her husband was born in Waller Lake. They still live in their original Farmington home located at 31220 Farmington Road.

A blacksmith in his youth, Mr. Coe is now active in the tool and machine business and owns and operates his own shop located at the home. At the present time he is too busy to even think of retiring.

The Coes have five grand children who are anxiously looking forward to the big event coming up August 6.

Bits Of News from Kendallwood

MRS. EDWARD COVE, GR. 4-0789

The Tin Angel Lounge on West Chicago has been a Saturday night dancing spot for many Kendallwooders since Nancy Allen, Miss Mary Kay, and Miss Joseph DeWolf of New Jersey, as week-end guests at their home on Ridgeway.

While the three Otis boys, Chris, thirteen years old, Steve, eleven, and Mark, nine, spent a week at camp, their sister, three year old Martha enjoyed attending the morning nursery run by the Kendallwood Girls' Club.

The Otis are again all together at home on Kendallwood Drive.

First to sixth grades of The Church of St. Fabian Parish gathered at the social hall Sunday for two weeks of planned activity and instruction. Fun for the kids and helped the moms adjust to the new routine.

THE McWILLIAMS family who were renting the Ed Jara home on Green Willow, recently moved to California. Tomorrow Betty and Ed Van Dusen will also bid farewell to Bayberry Road, Kendallwood 1, driving to Arizona, where they plan to make their new home. Good luck, Betty and Ed!

Connie Starr was hostess to her bridge group Wednesday, July 26th at her home on Thorny Brae.

The Hill and Dale Garden Club was presented with the award of merit for the best first standard flower show in the state of Michigan during the Federated Garden Club Convention recently held in Charleston. On September 18th the Hill and Dale Garden Club will present its second flower show at the Church of St. Fabian.

Thorne of the show will be "The Look of Fashion," featuring fine artistic sketches open only to members and a section of the show will be a presentation of ten classes which will be open to the public. At the last regular meeting of the Hill and Dale Garden Club, guest speaker Mr. Harold Brown pointed out the do's and don'ts in presenting a flower show and also the ways and means pertaining to entries.

NANCY AND MARY Columbia, daughters of Mr. and Mrs. Ed Columbia of Green Willow, are back home after spending a recent world trip.

Recent house guests of the Bassi Crouse family on Green Willow were Mrs. Crouse's sister and family, Mr. and Mrs. Fred De Juan, Barrie and Carol, enroute from New Jersey to their home in Illinois. Mrs. Crouse's parents, Mr. and Mrs. Irving Pugh, of Utica, New York visited for a week.

Arts and Crafts Exhibit to Open This Sunday

The third annual Community Arts and Crafts exhibit will begin Saturday, July 31, in Farmington, and will be open to the public on Sunday mornings from 10 a.m. to 1 p.m., and every evening from 7 to 9:30 p.m. through August 7, at the Farmington Universalist Church on Vance Street.

Presiding the opening, a talk entitled "What Is Art?" will be given by artist Mrs. Margaret Cramer at 10 a.m. at the church. (Regular services have been discontinued for the summer.) Refreshments will be served during the Sunday morning viewing period.

The committee reports that the number of entries has exceeded all expectations and that the building adjoining the church will probably have to be used for the overflow. The exhibit will undoubtedly be the biggest and best yet with entries from Waller Lake, Birmingham, Southfield, Pontiac, Farmington, Redford, Livonia, Northville, Plymouth, and surrounding areas.

A UNIQUE FEATURE of this year's show is that only original works are being shown. There will be oils, water colors, graphics, sculpture, jewelry and ceramics.

Entries for the exhibit will be accepted until noon on Saturday, July 30. Exhibitors may call Mrs. Wanda Pusey GR. 4-5099, or Stan Hinch, MA. 4-2073.

Local Librarian At Summer Lib. Workshop

Among the 60 librarians from 31 counties in Michigan attending the 18th summer library workshop of the State Library this week at the Michigan Education association camp, at St. Mary's lake near Battle Creek is Mrs. Violet Bly of the Farmington public library.

The workshop offers newcomers to library work a basic training in library procedures, featuring instructional and practice sessions covering library techniques and problems. The workshop also provides librarians working in smaller libraries an opportunity to learn state certification of library experience issued by the Michigan State Board for Libraries.

Five major courses in library procedures are being offered during this year's session. Instructors in the various studies are Mabel Granis of the State Library, Lansing; Harold Hargis, director of the Grace A. Dow Memorial library in Midland; Mark Crum, director of the Kalamazoo public library; Mrs. Jule Fossender of the Tuscon public library, and Virginia Johnson of the Lansing public library.

SUMMER STYLING

The new hair styles respond to new fashions so spontaneously, dress designers could have styled them. Hair is often sectioned into panels then draped in couture manner. Even the casual styles have an air of feet that's subtly contrived and controlled. Hair trends have gone as soft and seemingly undisciplined as the latest fashions in drifting fabrics and swirling pleats.

Your summer hair-style should be arranged with comfort and convenience in mind. Of course, we will not overlook the need for a particularly becoming styling.

AAUW Plans 8th Book Sale

The American Association of University Women announces that its eighth annual book sale will take place from September 28 through October 1. Once again an art exhibit will be featured, with pictures available for sale.

Book donations, either used or new, paper bound and periodicals are now being accepted at the Farmington Public Library on Farmington Road. Arrangements to pick up books may be made by calling Mrs. Richard Frankel, 32431 Queensboro, at MA. 6-3446, or Mrs. Don Briggs, 29697 Westmoreland, at GR. 4-3418. All sorts of books, especially children's books, may also be delivered to any of the above addresses.

In the past all proceeds have gone to the National AAUW Fellowship Fund to be given to students for advanced study. This year some will also be used for local cultural projects.

FASCINATING FACTS ABOUT NATURAL GAS

A Benefit to Man

Man reaps increasing benefits from Natural GAS. It is a superb fuel. It is also a rich mixture of hydrocarbons used as raw materials in the manufacture of plastics, fertilizers, etc. It is ideal for processing glass, metals, food because of its cleanliness, controlled heat and economy.

A Product of Mother Nature

The scientific explanation for the origin of Natural GAS is unknown but everyone knows Mother Nature produces it. One theory is that over a period of millions of years, plankton (primarily sea life) was dissolved into Natural GAS by extreme heat and pressure and Mother Nature covered and protected it with layers of rock.

It is America's favorite fuel for home heating. Seven out of ten new homes built to date use Natural GAS for heating. Consumers Power Company is rendering greater service to more and more GAS customers every year.
