Children's Shop Celebrates Grand Opening

Westbrooke Children's Fashions, the newest store in the Westbrooke Shopping Center, features a full line of quality clothing for children from infants on up to youngsters wearing size 14.

Included in the merchandise handled by the store are such well known brand names as Carters, Wonderall and Health-Tex, to name a few.

Mrs. Hanna Bleiwas, a Farmington resident who lives with her husband and their daughter in Westbrooke No. 2, is the proprietress of the newly opened store which is currently celebrating its grand opening with special values as well as give-away items.

Prior to opening the store she and her husband attended the latest fashion shows in New York.

A & P Store Open 6 Months

The A & P Super Market in the Westbrooke Shopping Center observed its grand opening last February 10 with a spectacular celebration that residents of the area will not soon forget.

Many officials of the giant food chain were on hand for the opening that featured many giveaway prizes as well as special grand opening values on various items of food.

Doctors' Offices In Westbrooke

In addition to the many fine stores in the Westbrooke Shopping Center there are also professional offices housing various types of doctors as well as other professional people.

Parking facilities at the Center are ample and there are entrances and exits both from 13 Mile Road and Orchard Lake Road. The Center is located at the southwest corner of the intersection.

Fast Service at Drive-In Plant

Westbrooke Cleaners, operated by Jack Kay a veteran of 16 years in the dry cleaning business, features one hour service and also has a drive in window for the added convenience of its customers.

Jack who is married and the father of four daughters, opened the cleaning plant nearly a year ago and is one of the pioneers in the fast developing Westbrooke Center.

Among the employees of the establishment are three Farmington girls, Sharon Valade who recently moved into the area with her family and Susan Mandulak and Donna Liphard, both Farmington High School girls. Sue graduated last June and Donna will be entering her senior year when school opens.

All cleaning operations are done right on the premises and there are two trucks available for free pick up and delivery service.
