Bits Of News

from
Kendallwood

MRS. EDWARD COVE,
GR. 4-0169

Sally Decker of Heathstone
underwent major surgery re-
cently at Henry Ford Hospital
and Brian Trebble, 3-year-old
son of Mary and Bill Trebble
of Heathstone, is home follow-
ing recent surgery at Sinai
Hospital.

Charles and Shirley Kinney of
Crawfordsville welcomed a new ad-
dition to the family recently.
Baby Thomas Charles was born
at New Grace Hospital and
weighed in at 8 lbs., 10 oz.
Anxiously awaiting him at
home are Becky, 7; David, 4,
and Jane, 2.

Rodney Louis Pulgini made his
debut into the world on
Wednesday, September 7 at St.
Joseph Hospital in Pontiac.
Rodney is the fifth child of
Gene and Doris Pulgini. Doc-
tor still seriously ill at the hos-
pital and many prayers have
been offered by her friends in
Kendallwood for her speedy re-
covery.

IT IS TIME once again for
the women of Kendallwood to
meet. Meetings will take place
each month at the Farmington
Savings and Loan Building on
1st Mile and Orchard Lake
Roads.

There were two birthday par-
ties going on at the same time
September 18 at the home of
Mary and Bill Trebble on
Heathstone. Brian celebrated
his third birthday with his
young friends on the patio play-
ing London bridges and farm
in the dell while Lisa cele-
brated her sixth with her big-
ger friends playing the more
serious games of bingo and
jump the shoe.

The hot dogs, pop, cake etc.,
were consumed in complete
harmony by the two groups to-
gether with children regardless of
the age difference.

OUR SYMPATHY to those
who were unable to attend the
dinner dance Saturday, Septem-
ber 17 at the Tam O'Shanter
Country Club. As usual the food
was superb, the music heaven-
ly and the conversation spark-
ling.

Those who attended wish to
thank chairman Marge Wilcox
and Gene Pulgini and their
committees who, through their
tireless efforts, make such
events possible.

Life could be very dull if
there were no such gala af-
fairs to look forward to during
the year. There is no better
way to meet all your neighbors
at one time and become bet-
ter acquainted. It was wonder-
ful, so sorry that some were
not able to be there.

News From Briar Hills

Florence Nauman MA. 6-5081 Mary Mamut

This has been a truly won-
derous summer, don't you agree?
delightful weather, memora-
ble vacations, outdoor barbe-
ques, swimming parties, etc.
Now once again, the sailboats
are returned to their places and
the swim suits put away until
next summer (?) and our
schedules revert to the picking
school lunch boxes, visiting the
son of Mary and Bill Trebble
of Heathstone to the bus on time,
and PTA.

WHILE WE MENTION the
school bus - may we speak for
all the mothers of Briar Hill
and thank everyone and any-
one responsible for the new bus
routine for Road School. This
way, most of us can keep an
eye on our children while they
wait, and it's especially con-
venient on rainy mornings.
Thank you, Mr. Goodwin, and
please pass the word on.

COLLEGE NEWS
Then there are the colle-
giate. Larry MacLeod and
Philip Andrieu left for Central
Michigan University on Sep-
tember 12th. Larry is a senior
this year; Philip is a junior
and the newly-appointed drum
major of the college.

IT seems that a tradition is
in the making at the LeRoy
Frederick's household on Bea-
rbury Road. Son, Dave has just
begun his freshman year at
Michigan State University in
field Ohio. Both mom and dad
are alumni of Wittenburg!

Young Larry Nadreau, also at
Briar Hill, has enrolled at
Michigan State University in
Michigan for his freshman year.
The George Davis family
spent a wonderful two weeks
in their sister and brother-in-
law's home in Florida. The boys
spent many sunny sum-
mer days on the beach at Venice,
searching for petrified shark's
teeth. They brought home over
hundred. The Generals all head-
ed Florida-way early in the
summer, also. They went with
Norton, their sister and brother-
in-law and family (the Fromms).
We hear they had a wonderful
time in the Fort Lauderdale
area. Glad to see BD - Before
Dinner - you know.

The Devlin's of Old Bedford
Road spent the latter part of
August on a 150-mile camping
trip that took them to Perry
Sound, Ontario; through the
Georgian Bay region; Sudbury;
Sault Ste. Marie; and the Mac-
Kinaw Bridge. Accompanying
them on the trip were Mr. and
Mrs. George DeCourcey and
sons, Keith and Norman of
Franklin Knolls. On their way
back, they visited Bill's folks
at their cabin on the Manitowish
River. They pitched their tent,
caught the fish for supper, and
slept in sleeping bags - now
that's what we call "roughing
it!" The whole trip was such
a success that plans are al-
ready being made for a simi-
lar trip to Florida next spring.

The Lupia family of Old Bed-
ford Road were just returned
from an exciting trip to Fulton,
New York. One of the highlights
of the trip for Pat, Sr. was a
3-day fishing excursion off Ste-
ney Island, spent in the com-
pany of his boss, Les Coburn.
Pat's boat was declared win-
ner for number of fish landed.
It appears they caught their
full quota (which is all Pat will
confess to) and then some! One
of these days we hope to get
the true story.

REALLY, PAT, the long arm
of the law couldn't possibly
reach all the way to Briar Hill
- or could it? Meanwhile, Mar-
garet and the gals, were house
guests of Boss Coburn's wife,

Betty, at their summer home
on the Oswego River. They
found time to include a side
trip to Henderson Harbor and
the Lighthouse, which is signifi-
cant from a historical stand-
point. Lee and Mike Mattheis
attended a "hockey school"
at St. Thomas, Ontario,

Broomfield to
Have Trailer
Here Today

Continuing his program of
bringing Washington to Oakland
County, Congressman William
S. Broomfield (R-Oakland
County) will visit Farmington
on Thursday, September 29, in
his rolling Congressional office.
The Congressional trailer will
be at the Farmington Post Of-
fice from 2 to 4 p.m.

Broomfield said "This Con-
gressional office service has
been of great benefit to the
residents of the Eighteenth District
in the past and I intend to visit
as many communities as pos-
sible."

The trailer stops at Oakland
County communities will be the
fourth such trip for Broomfield.
"It has shown itself to be a
marvelously effective way of
finding out the views of those I
represent," he said.

"This is one means I use to
bring the Federal government
and its operations down to earth
and closer to those who it is sup-
posed to represent."

the following October.

that time, their growth has been
slower than that of many newer
professional fields.
