Well, here we are again after a week's absence. We wanted to give you a chance to catch up on your other reading in this wonderful paper so we skipped a week on the subdivision article. Enough of this chatter - on to the news.

Bobbie Houchens of Glen Orchard celebrated her second birthday with a yard party. Twelve children and ten adults were present for a day full of fun including his parents Bar and Bob Houchens.

Irene Tolzky of Farmington, Md. wishes to report the summer sale by Our Lady of Sorrows was a huge success. She thanks all the people who donated things to help the cause. Elaine and Bill Bell had a visitor spending the weekend with them. She was Mrs. James Bell of Birmingham, Bill's mother.

Friday night Nancy Demaschke of Glen Orchard celebrated her birthday. Her guests included her family, Bev Brooks and Ken Hoppes, Judy Hartwell and Rick Lewis, and Fran Payne and John Austin in her home. They danced until their feet were out and then had refreshments. All in all they had a riot. How can you have a dull moment when Nancy is around.

DORIS and JOHN Hennessey of Glen Valley are having guests these days. Doris's parents, Mr. and Mrs. L. S. Voigt from San Antonio, Texas, are visiting here for a month.

Birthday wishes are in order for John Kempf of Ivywood. He celebrated his eighth birthday with a luncheon party for eight friends. His guests included Mr. and Mrs. Karl Kempf of Imlay City and Mr. and Mrs. John Weinhart from Ann Arbor. John is looking forward to his celebration.

Lenore Pollock of Raphael flew to Chicago recently on a business trip. While there, she stayed with her daughter and son-in-law, Mr. and Mrs. Broch and grandchildren to make it a social visit also. Upon returning home, Lenore called on her mother, Mrs. Broch, for a minor operation on her wrist. She is now home and we wish her a speedy recovery.

Thursday, Gmay and Don Gramer of Glen Valley entertained Mr. and Mrs. Frank McCarter from Garden City. Mrs. McCarter is accompanied by sons Danny, Dennis and Donny, the Gramers went to Mr. Bertha Slesianski's for dinner.

Doug Griffin of Glen Orchard has been chosen as sports representative from Farmington High School. Tune in on Friday night for Doug's news report as he reports all the news from the Falcons.

TERRY and BILL Clancy of Raphael had a cocktail party Friday night. Present were Mr. and Mrs. Alex Hillard of Lathrup Village and Mr. and Mrs. Jack Baeviger of Detroit. Afterward they proceeded to the Glen Oaks Country Club for a lovely dinner dance.

Clifford Grammer of Glen Orchard is again attending school. The school we speak of is the Mayfair Co-operative Nursery where Momma Pat is serving as treasurer.

By now you have received your announcements regarding the subdivision Halloween party. "Spooks & Spouses." We hope you are contacting your friends so they can reserve this date. Friday, October 23, to go haunting with us for this is the "haunting" season you know.

Dee Grant, mother-vice-president of the Ten Mile School P.T.A. presided at a meeting for the room-mothers. This was in preparation for the activities for the coming season, including the Open House this week.

Bill and Joan Gallagher of Raphael held a surprise birthday party for Jack Doyle of Twin Valley. Five other couples attended.

Call us, Gail Madigan GR. 4-1097 or Irene Biff GR. 6-0110 for news items. Nothing is too small or unimportant. We make anything sound big. Have to sign off for now. See you next week. We will be here, will you?

A new method of fluoroscopic examination was revealed recently in New York City by Dr. Russell Morgan of Johns Hopkins University. By using a television technique, the examining physician can intensify the image in full view of all interested people, including the patient himself and at the same time reduce the radiation exposure to the patient substantially.

When we do not find peace of mind in ourselves it is useless to look for it elsewhere.

Old Homestead Subdivision within its boundaries. Our new residents are: Diane and Ernest Simmons. The new couple has two small daughters, Laura, 9 months, and Kimberly, 2 months into their new home at 4115 S. E. Rd. Just two weeks ago, Farmington is not so far from the Simmons family. They lived in Bel-Aire Hills for five years before making this most recent move. This gives them a chance to see the Simmons family in the subdivision. The families, however, are not related.

A week ago Monday some of our boys were present at the Little League Banquet. Among them were Brian and Larry Dale accompanied by Allan, Craig Bohne and his dad, Bob. Rick and Bob Lorenz and his dad, Aid, Leo, and Tim and Brian Quinn with Tom. Ricky Quinn was present at the banquet, however, instead of the generous mothers who saved the meal.

A NUMBER of birthdays have been celebrated in the past week. Last Thursday, Steven Lorenz became eight with his grandparents, Mr. and Mrs. Leo Lorenz, Sr. and the Quaine boys, Tom, Tim, and Brian, helping consume the cake and ice cream.

Three birthdays were celebrated on Friday. Bud and Zohbi Haber, son Dick, was honored at a quiet family dinner to mark his ninth birthday. Ken and Carolyn Rowe's son, Jonathan, became two on that day.

A surprise Pajama Party marked the tenth birthday of Terry Simmons. Her grandparents, Mr. and Mrs. Clarence J. Foster, of Detroit were also present for cake and ice cream in addition to the three girls who joined Terry for the night.

On her first birthday, Sunday, Christine Morgan was Baptized at the First Methodist Church of Farmington. That afternoon the entire Morgan family, Bill, Pat, Larry, Patty Lou, and Christine had dinner with friends.

Congratulations this week go to Edmund and Florence Zeglen, who celebrated their thirtieth wedding anniversary on Tuesday.

JERRY BRACK is teaching photography again at his studio in Detroit. In addition he is conducting classes in touch-up and tinting. Any of our budding photographers who are interested in more details, can reach him at home, GR. 6-0688.

Graduates or former students of MacKenzie High School in Detroit may be interested to know that a dance is planned for December 3, at Cobb Hall. This is being sponsored by the MacKenzie Alumni Association. There will be music by Jim Pritchett and intermission entertainment by some of the local T.V. stars, several of whom are MacKenzie Graduates. Tickets may be purchased at the door or in advance, Pat and Bill Morgan, GR. 4-4899, have tickets available for Farmington residents.

Apples are reminded to reserve Saturday, October 8, for the next square dance. More details next week.

All over the world people are seeking peace of mind, but there can be no peace of mind without strength of mind.

Back to school also means back to Scouts and doctors of girls in Farmington have dug right into the Fall Girl Scout program with enthusiasm and anticipation. Cook-outs and field trips are on the agenda for older girls and Brownies alike, because none of us can resist this wonderful time of year in the great outdoors.

The leaders have had their first neighborhood meeting and have started planning a special out of door celebration for Juliet Lowe's 10th birthday (the founder of Girl Scouts). All leaders who did not attend the first meeting should be sure to contact the neighborhood chairman Mrs. Reagan GR. 4-3309 or the Troop consultant Mrs. Lieb GR. 4-4881 for details to the meeting. None of the troops will want to miss this special opportunity to join with fellow scouts in honoring the founder and singing and playing together.

Two weeks ago the chances for having many brownie or girl scout troops in Farmington were slim but suddenly nine new women stepped in to be taking the necessary training for troop leadership.

AT P STANDS now there are 10 brownie troops; underway five intermediate troops, three tweenie troops and one over 16 troop. This makes an approximate total of 250 girl scouts in Farmington.

However, as bright as this outlook appears, we have a dire need for brownie leaders in the Alameda School area, so how about all you Alameda moms, purely there must be some of you interested in getting the troops moving in your area. There is also a need for an intermediate leader at the 10 Mile School area. For information please call Lois Cort, GR. 4-2021.

Troop 783 is planning a cook-out on October 10 at the Park. A camping trip on October 22 is also being planned at Hayes State Park. Troop leaders are Mrs. Richard Lieb and Mrs. William Cort. This is a new twelve-hour troop that holds its meetings at the Universalist Church.
