

## Hansen-Bagnall Vows Spoken In Wedding Ceremony, Sept. 15

Miss Carol Hansen, daughter of Mrs. R. E. Hansen and the late Robert E. Hansen of Detroit, was united in marriage to Mr. Herbert John Bagnall, son of Mr. and Mrs. Herbert Bagnall of 2037 Fiddlers Green in Farmington, in Trinity Evangelical United Brethren Church, 513 Mile and Evergreen, on Saturday, September 15, at 3:30 p.m.

The bride wore a lace and nylon net over satin gown. The tiers of lace fell into a short train which later hooked up for dancing. The "lower" right front of the skirt was gathered up with a Jaree satin flower. Her headpiece, a small pearl tiara, held in place a tulle finger-veil. The bridal bouquet was composed of white baby

and stephanotis.

**THE BRIDE'S** cousin, Loretta Taipalus, acted as maid of honor. She wore a green satin gown. Bridesmaids were Mary Lynn Bernal (sister of the bride) and Alina Hansen (sister of the bride). They wore gowns of raspberry satin and held satin with headpieces of machine tulle. They carried bouquets of baby's breath in fall shades.

The groom's best man was Mr. Gary Frantz. Ushers were Larry Tolpelt and Jimmy Natanson. Out-of-town guests included the bride's aunt Florence from Columbus, Ohio, and Mr. and Mrs. Jack Crawford and son, Scott, from Toronto, Ontario.

While floral arrangements at the altar and a white runner down the center of the red carpeted aisle decorated the church during the double ring ceremony, two vocal selections were rendered by the choir of the church, "I Believe" and "The Lord's Prayer."

A reception followed the church ceremony in the fellowship hall of the church with the ladies of the church serving the guests. Over 100 friends and relatives later were served a buffet dinner in the Bagall home.

The bridal party visited the bride's paternal grandmother at her hospital bedside and presented her with the bridal bouquet.

The newlyweds honeymooned in northern Michigan for several days and are now making their home on Chalfonte Street in Detroit. She is a graduate of Cooley High School, Class of 1961. He graduated from Henry Ford High School in 1961 and plans to take up studies at Lawrence Institute of Technology next March.

**WHAT ARE PARENTS FOR?** These youngsters from the Kenbrook Elementary School gave the matter considerable thought and thought along with their classmates and came up with the bulletin board above

which depicts the main points arrived at by the students. They (parents) are to strengthen, to protect, to educate and for children, of course.

## Bantam Rockets Beat Hazel Pk. To Gain 1st Win

The Bantam Rockets of the Little Football League won their first game against two lesser teams Saturday as they defeated Hazel Park 43-0 in the rain.

Farmington's first score resulted directly from Hazel Park's difficulty with punting situations as a high pass from center on Hazel Park's first kick attempt into the end zone.

The Bantam Rockets' defense then the Parkers back to the ten yard line and, on a fourth down attempt to punt, rushed the ball, the Rockets taking over on the three.

NICK STOVANOFF crashed over for the initial Rocket tally from the three and Mike McLean ran for the extra point.

The second touchdown came in the third quarter with the Rockets marching 47 yards in six plays after receiving the second half kickoff. McLean was the big gun in this offensive, running for nine yards, passing to Greg Brooks for 47 yards and sweeping his own right end behind excellent blocking for 16 yards and the touchdown.

Hazel Park's only serious threat came in the waning moments of the game and found them on the Rocket one yard line when time ran out.

Bill Campbell and McLean led the Rocket attack while the Parkers defense was spearheaded by Bill Allen, Brooks and McLean.

## Bears Tounce Farmington JV

The Farmington JV squad, following in the footsteps of big brother varsity, overcame odds to submission by the Bears from Berkley by a 25-0 score.

Berkley opened the scoring in the first quarter on a 12 yard touchdown scamper by their left halfback. The extra point kick was good and Berkley was leading 7-0. Berkley's left halfback proved to be tougher than a grizzly bear as he scored three touchdowns during the game.

Berkley tallied again in the second quarter when "Arkansas" punt was blocked putting the Bears deep in Farmington territory. After several plays had elapsed Berkley's left halfback clammed in from the three yard line. The extra point kick was no good and the half ended with Berkley ahead by a 13-0 score.

In the third quarter Berkley scored again as their breakaway left halfback played the "lone ranger" and galloped away on a 55 yard touchdown jaunt. The extra point kick was good and the score now stood 19-0.

In the fourth period Berkley continued to do what seemed to come naturally - score touchdowns. Berkley's left halfback cut loose on another long scoring jaunt of 53 yards to close out their scoring for the day. The extra point was missed and Berkley had the game all wrapped up with a 25-0 lead.

Late in the fourth quarter Farmington's offense started to move in high gear as quarterback "King" Cotton, on a pass to Terry Nielson and the combined running efforts of "Arkansas" and Russ Robinson, a 65 yard touchdown drive. The scoring play came on a seven yard scamper by Berkley's left halfback. The extra point was no good and the game ended with Farmington on the short end of a 25-0 score.

## PTA Brought in Focus With Kenbrook Display

At the October 16 meeting of the Kenbrook School PTA, parents and teachers viewed the bulletin board created especially for P.T.A. In an endeavor to bring the association of the P.T.A. and the children of the school more closely in focus for the children to understand, the theme "What Are Parents For?" was used as illustration. Mrs. Ellis the Art Consultant, shown with Leslie Ed-

## Parkers-Edge Rocket Varsity

The Varsity Rockets dropped the Little Football League contest to Hazel Park 16-6 last Saturday night in a steady rain.

Hazel Park dominated the game, scoring in the first, third and fourth quarters, while the Farmington tally was registered in the last period.

The Armstrong's initial tally stemmed from the recovery of a Rocket fumble on the Farmington 22.

THE HALF ENDED without any further scoring as neither team could mount a sustained attack.

In the third quarter, Hazel Park broke through the Farmington defense for a 35 yard gain. The runner was brought down from behind by Ron Buckley on the Rocket 5 yard line.

The Rocket defense rose to their greatest heights with Bob Kessler and Danny Wolfman leading the defense that held the Parkers on the two foot line, where the Rockets took over.

Tough going deep in their own territory forced Farmington to yield a safety.

Farmington got back in the ball game in the third period when Paul Misch scampered 35 yards for a Rocket tally. The touchdown was set up by Dan Wolfman's punt that covered 44 yards and led to a fumble recovery deep in Parker territory.

The attempt to run for the extra point failed and the Rockets trailed 9-6 with seven minutes to go. Neither team could move the ball until Hazel Park scored on the last play of the game with a run through the middle of the Rocket line, covering 33 yards.

The Rockets' outstanding defensive plays were contributed by Tim Masterson, Wolfman and Kessler. The offense was led by Misch and Wolfman.

## Wandering Thru Woodbine

BETTY MILLER GR. 4-5697

Good morning to all you gals attended this grade game with the Hunters Ball coming up November 30! Hope you are anticipating coming and bringing a friend along. The committee met last Tuesday evening at the home of Joyce Martell and I will have that information next week.

**NADIA BOWIE WISHES** to thank all those wonderful volunteer ladies who graciously gave their time to call on the neighbors of Woodbine! The results were gratifying and this week winds up the Torch Drive in Woodbine.

Nadia has a temporary new addition to her family as of approximately seven weeks ago. Baby Michael is being boarded with the Bowies until it is time for his adoption. Nadia said it is very rewarding work. Both Richard and Nadia took time off a few weeks ago to pursue Richard's favorite sport of bow and arrow hunting. Soon Richard will be trying again for that elusive deer.

I haven't heard from Jan Jagrowski in quite some time, so I called her last Sunday to see how all the family was getting along. Both of the Jagrowskis have been kept mighty busy since the opening of their new dress shop in Redford in conjunction with the Trend Gift Shop. They now ferry back and forth between their Jenay Shop in Redford and the new one. Son Jerry who has made the Army Air Force his career was promoted to captain the first of October and wife, Barbara, and their two children joined Jerry at his new post in Spain.

**DAUGHTER JUDY**, who was married a little over a year ago is now Mrs. Dynda. Mr. and Mrs. Dynda are living in Wayne, Michigan, and Judy is teaching at the Garden City Junior High School.

The Dingmans and Donovans took the alumni bus to Lansing last week to attend the Michigan State and University of Michigan games. There were a few mixed emotions and rootings between the Donovans as son, Jim, attends the University and daughter, Mary, attends State. So Neil had to root for one and Bob for the other.

Rod and Julie Holbrook also look the alumni bus to Lansing last week to attend the Michigan State and University of Michigan games. There were a few mixed emotions and rootings between the Donovans as son, Jim, attends the University and daughter, Mary, attends State. So Neil had to root for one and Bob for the other.
