Public Safety Dept. Prepares For Open House

The Farmington City Public Safety Department will hold an Open House on Friday, October 19, from 7 p.m. until 10 p.m. at the Department of Public Safety located south of Grand River on Liberty Street.

The Open House program is being conducted as part of the City's observance of Fire Prevention Week and all of the Farmington Public Safety officers will be present to answer questions and demonstrate various firefighting techniques and equipment.

A NEW FIRE TRUCK is scheduled to be on hand similar to the model recently purchased by the City for delivery next February. The new fire truck is the latest design with all of the increased capability that modern technology and scientific research has developed. The new fire truck will be open for inspection by the public and officers will be available to explain methods and procedures in its operation.

Sergeant Richard Walker of the Public Safety Department also revealed plans for special informative demonstrations on the part of the Department's personnel to clarify and emphasize the important steps to be taken in case of fires and the precautions that should be taken by property owners to insure safety against fire in the home.

Literature made available through the donations of local insurance agencies will also be handed out to the public. The local agencies, Kenna Loomis, Clappison and Conroy, Fred Samra and Gerald Grace, have provided literature designed for young and old alike.

Especially for the children will be coloring books depicting various safety messages and slogans. Children will also receive novelty Sparky Firefighter buttons and will be served soft drinks.

Doughnuts and coffee will be on hand for the adults, all free of charge.

Training in the use of the general aptitude test battery (GATB) is required and this series of tests is an important tool in career guidance for high school students.

In a change of policy recently announced by the MESO, only persons out of school will be given this series of tests by their organization in the future.

Farmington school personnel now qualified to give this test series are: George Barrons, Miss Virginia Carley and Carlene Beatty at Farmington High; Clayton Timmons, Norman Kinney and Mrs. Stella Koski at North Farmington High; Warren Piche at Dunekel and Mrs. Norman Kinney at Farmington Junior High.

Senior Citizens To Meet Friday

The Senior Citizens Social Club of Farmington will meet tomorrow night, Friday, Oct. 12, at 7:45 p.m. in the social room of the First Methodist Church on Grand River at Warner St.

All senior citizens, both men and women, are invited to attend.

Social security and its benefits will be topic Friday evening with information being given and questions answered. There will be music and card playing with refreshments being served.

Women attending are invited to bring along a couple of their favorite recipes for a special cook book now being prepared. For additional information about this local club call Mrs. Walter Carlin, GR. 4-7037.

Dinan Will Attend City Manager Meeting

City Manager John Dinan will be leaving this weekend for Philadelphia, Penn. to attend the week-long annual International City Managers Convention to be held there.

The convention begins on Sunday.

Dinan will be accompanied by his wife on the trip.

A giant of the automotive industry, K. T. Keller, will be the principal speaker at the automotive Old Times Dinner, October 19, a traditional event held in connection with the National Auto Show. Keller, retired Chrysler president and board chairman, will find many familiar faces in the audience.

The highest honor of Scottish Rite Freemasonry was conferred on Harold Peck Smith of Farmington, a local area Freemason, on Wednesday, September 26, in Philadelphia's Academy of Music. The degree conferred climaxed the annual sessions of the Supreme Council of Scottish Rite for the fifteen northeastern states, comprising the Northern Jurisdiction of the United States. A total of 158 received the degree in the 1962 class. The thirty-third degree is awarded for outstanding service to Freemasonry or for significant contribution to humanity reflecting credit to the fraternity.

"The leaves are beginning to fall and I guess it is a pretty good indication that Indian summer is here. The foliage of all the trees and plants take on a beautiful panorama of color and sort of gives all of us a little lift from the dreary summer we had. It also is the signal for various activities to get going."

Company Cites Top Producer

L. C. "Jack" Sheridan is being honored by the company for being one of five top producers for two consecutive months.

Mr. Sheridan is a special agent for the Federal Life Insurance Company of Chicago and is a member of the Helms Association in Detroit. He resides at 28403 Alyce Kay Dr. with his wife and son.

8 Qualified to Give Test Series

Three Farmington High and 3 North Farmington High seniors as well as one each at Dunekel and Farmington Junior High are now qualified to administer vocational tests formerly given only by the Michigan Employment Security Commission, it was announced this week.

Training in the use of the general aptitude test battery (GATB) is required and this series of tests is an important tool in career guidance for high school students.

In a change of policy recently announced by the MESO, only persons out of school will be given this series of tests by their organization in the future.

Farmington school personnel now qualified to give this test series are: George Barrons, Miss Virginia Carley and Carlene Beatty at Farmington High; Clayton Timmons, Norman Kinney and Mrs. Stella Koski at North Farmington High; Warren Piche at Dunekel and Mrs. Norman Kinney at Farmington Junior High.

School Bids

(Continued from Page 1A) ding sub-committee are being invited to sit in on this meeting to express their views on proposals proposed in an effort to bring costs down. The Board is expected to decide on what if any changes they want made tonight and proceed with the awarding of contracts.

THE LOW bidding firm for the general construction work in a field of seven bidders was Bersche Construction of Pontiac. Their bid, including costs for the special education building, was \$286,000. King Co. Mechanical Contractors, also of Pontiac, submitted the low mechanical bid in the field of 11 firms. This firm's bid, including facilities for a special education room, was \$129,300.

The low bid for electrical work was \$36,600 submitted by Edward Maloney Service Co. of Orchard Lake. Ten firms bid for this work. The kitchen equipment low bidder was Illinois Range Co. of Illinois with a bid of \$10,571.

A giant of the automotive industry, K. T. Keller, will be the principal speaker at the automotive Old Times Dinner, October 19, a traditional event held in connection with the National Auto Show. Keller, retired Chrysler president and board chairman, will find many familiar faces in the audience.

Farmington Oaks

Edna Mosley — 474-3410 Betty Robertson — 476-0564

The Fall Activities are in full swing for the Boy Scouts in Farmington. Oaks, Robert Smith, is holding his first meeting at his church in Detroit. The Scout Campore, which Robert attended, was held on Oct. 5 and 7 at Howell, Mich. There was a tremendous turnout of over 50 troops.

What beautiful weather! The Clinton Valley Council, Ottawa District, held their first meeting at the farmington Junior High School on Oct. 5 and 7. Steve and Dale Robertson, who belong to Troop 45, participated in the district affair.

THE WELCOME MAT was sent to Mrs. Virginia Kinneal and her five children who moved in last week. The little Kinneal are Susan, Richard, J. William, Mark and Mark. To everyone in the town, Virginia would like to be known as "Lee" to avoid confusion with "Johnny" Skeith, her next door neighbor.

Romney to Talk At KC Meeting

George Romney will be guest speaker at the regular monthly meeting of the Knights of Columbus at their hall at 21900 Highland Road, Farmington, on Wed., Oct. 17 at 8:30 p.m.

Knights of Columbus officials point out that they do not endorse any political party or candidate. However, as part of their program, they welcome men prominent in public affairs as guest speakers and one meeting out of each month is set aside for this purpose.

The meeting will not be open to the general public but members will be permitted to bring their wives and friends.

Plan Improvement Of Holly Hill Road

The Farmington Township Board wants to establish a study committee for the improvement of Highway 106, which runs along the south side of the township, from the intersection of the township line with the city line to the intersection of the township line with the city line.

The Board passed a resolution authorizing the Township's consulting engineers to draw up plans and cost estimates on the road improvement project. The township engineer, Fred Clappison, indicated a petition requesting the road improvement had been circulated in the subdivision and signed by more than 50 per cent of the property owners.

Story Hours To Start Again

The Farmington Public Library announced this week that it will be resuming its preschool story hours starting Friday, Oct. 19, at 10:30 a.m.

Last year's response to this program was so great, it is reported, that the library is forced to limit the program this year to 4 and 5 year olds only.

This is being done for two reasons, the library explained. One is to limit the size of the group in the interest of better storytelling. The other is that it is not found to be a greatly beneficial program for children under four and that past experience has proven that it is undesirable to mix three year olds and five year olds.

Kenbrook PTA Sets Talks on Non-Graded

The Kenbrook School invites you to hear Dr. Marshall Jameson, principal of Month School in Grosse Pointe, at their October 16 meeting at 8 p.m.

Dr. Jameson will discuss the Non-Graded early elementary plan in practice. This system progresses students from the first through the third grade by levels. These levels can be reached at any time of the year when the child is ready to progress to the next level.
