INSTALL THIS CUSTOM Mark II OIL FURNACE NOW!

THE IRON FIREMAN CUSTOM MARK II oil furnace is so amazingly economical that D & W Oil Company guarantees it will cut your oil, gas or electric heating bills at least 30% during the 1962-63 heating season.

... If You Don't Cut Your Oil,
Gas or Electric Fuel Bill **30%**
This Winter...

D. & W. OIL COMPANY
WILL PAY THE DIFFERENCE

D & W Oil Company dares to make this startling offer because no customer who has installed the Custom Mark II has reported oil, gas or fuel savings of less than 30%—and many have reported savings up to 52%.

YOU PAY NOTHING DOWN. Your first payment does not come due until winter. And then you pay as little as \$14 monthly. You have up to 5 years to pay. The money you save from lower heating bills can actually pay for your Custom Mark II furnace!

NO EXTRAS TO BUY. D & W completely installs your Custom Mark II furnace for you. All pipe, ductwork, 275-gallon tank, day and night thermostat controls and filter are included.

SEE A DEMONSTRATION TODAY. Drop in at the D & W Oil Co. showroom. See for yourself how this revolutionary furnace operates. Then ask for a free estimate. You will not be obligated. For additional information, call D & W Oil Co., 476-0842.

The Iron Fireman Custom Mark II oil furnace utilizes an entirely new concept in heating—the induced-draft heating principle. And this revolutionary compact heating plant burns clean... actually "white glove clean."

*Based on seasonal operating efficiency, comparative thermostat settings and degree days.

IF, after reading this ad, you still feel that this amazing, but proven performance of the Custom Mark II oil furnace is too good to be true, call any of the D & W Oil Co. customers listed below. These twelve names were selected at random from customers who have purchased the Custom Mark II oil furnace since this revolutionary new furnace was introduced on the market just four years ago. (If twelve names aren't enough, we'll give you more!)
