The Great Commission Is Go, if you done you don't grow

WSCS Speaker Slated on Jan. 9

The January 7 meeting of the Sisterhood of Temple Beth Am will be an especially rewarding evening. The ladies of the sisterhood will make percussion instruments for the kindergarten and first grade children of the Sunday School.

These instruments will be donated to the Sunday School and will become a part of the permanent equipment available to the teachers. Enough instruments for two classes to use at any given time, about 60 pieces, is the goal for the evening. Mrs. Lenox will assure a professional job from even the least talented and for the more creative, opportunity will be unlimited.

The necessary tools have been collected over the last few months. They are things like burned out light bulbs, oatmeal boxes, coffee cans and many other things normally considered household discards.

The meeting will be Monday, January 7, at 8:30 p.m. It will be at the home of Mrs. Myron Goff, 28355 Milburn, Livonia. Refreshments will be served.

You exist but as a part inherent in a greater whole—Marcus Aurelius.

Life of Christ To Be Shown In 12-Part Film

The most detailed depiction of the life of Christ ever filmed will be presented in 12 episodes of 30 minutes each at the Southfield Community Church, 21222 Indian, (Between Beech and Antler north of 8 Mile), according to Pastor Raymond Bayne.

Showings will be on Sunday evenings at 7 p.m. beginning January 5. The first film, "The Holy Night" will be the first film in this Living Christ color motion picture series.

"Holy Night" photographs all color, is a faithful Bible account of Isaiah's prophecy and its fulfillment, and covers the journey to Bethlehem, the manger scene and the adoration of the shepherds.

The 12 EPISODES of the Living Christ motion picture series, four years in the making by Cathedral Films, were produced with a reverence and research of biblical background unmatched anywhere.

This Living Christ series was photographed in full color. Its cast includes more than 200 speaking parts. Never in the history of church teaching have people been offered the opportunity to see such a complete political, economic and religious background of 'the greatest story ever told'.

The Living Christ series is the top achievement of Cathedral Films, producer of "The Life of St. Paul," "The Glory of His Glory" and others. Beginning with the prophecies of Isaiah during the reign of Herod, it is a complete historical account of events from the nativity through the crucifixion and the resurrection.

There is no admission charge for this series. An offering will be received.

To Install New Temple Beth Am Officers Jan. 4

The newly elected Board of Directors of Temple Beth Am will be installed Friday, January 4, as a part of The Temple's regular Friday night service.

The Board of Directors, headed by Irving King, President, consist of: 1st Vice Pres., Arden Waterman; 2nd Vice Pres., Sam Gold; Recording Sec., Rene Schneider; Treasurer, Louis Kent; Members, all Large and Albert Bayes, Myron Goff, Seymour Lipman, Manuel Shelden and Dr. Edward Stein.

The outgoing Board, headed by David Deen, President, has seen the membership of the Temple more than double in the past year.

MR. KING is highly qualified for his new office. Since inception of Temple Beth Am three years ago both Irving and his wife, Miriam, have personified the word "dedicated." This past year Irving has served as 1st Vice Pres. of the Temple Board of Directors. Presently his wife is 1st Vice Pres. of the Sisterhood of Temple Beth Am and is a kindergarten teacher in the Sunday School as well as being the president of the PPA of the Tyler School and the Chairman of the Livonia Youth Commission.

Irving King is the personnel manager of the Winkelman stores, he is the holder of two masters degrees, one from the University of Illinois, the other from the University of Detroit. He is a Lieutenant Commander in the U.S. Naval Reserve and is an accomplished pianist. The King's are the parents of three daughters; Helen, 3; Karen, 4; and Nancy, 2.

The Installation Services will be a part of the regular Sabbath Eve Service, Friday, January 4, at 8:30 p.m. at the Reform Branch of the YWCA, 26540 Grand River. Rabbi Norman Mersky will officiate.

Death Claims 82 Yr. Resident Henry Pauline

One of Farmington's oldest residents died peacefully in his sleep on Tuesday, December 18, at his home on Oakland Avenue. Mrs. Henry Pauline of 33611 Oakland succumbed at the age of 82. He was known to his many friends as the genial and his wife, Marie, for many years owned the Pauline Market, a familiar meeting place for pleasant holiday shopping.

The home, which had been in the family since it was destroyed by fire in the conflagration that wiped out most of the buildings in the southwest corner of Grand River and Farmington Road a decade ago.

Prior to operating his market in Downtown Farmington, Mr. Pauline was associated with the Detroit United Railways and later the Detroit Edison Company.

HENRY PAULINE was born in Germany in 1875. His family came to this country four years later and made their home in Farmington where they remained for the balance of their lifetime.

Mr. Pauline was a charter member of the National Exchange Club and a life member of Farmington Lodge No. 155. Funeral services were conducted from the Speer J. Heene Funeral Home on Farmington Road with the Rev. Carl H. Schiller of the Salem United Church of Christ officiating. Interment was at Grand Lawn Cemetery.

He is survived by two sons, Thero H. Pauline of Plymouth and Percy O. Pauline of Farmington and New York City. One grandson and four great-grandchildren also survive.

The manspining of life is in the heart—Amiel.

SUGGESTED ZONING TEXT AMENDMENT PLANNED UNIT DEVELOPMENT

1. Lot dimensions in RA-1 and RA-2 One-Family Residential Districts may be reduced in accord with the following schedule, provided the number of residential lots shall be no greater than if the land area to be subdivided were developed in the minimum square foot lot areas as required for each One-Family District under Article XIII.

2. All calculations of density for residential development shall be predicated upon the RA-1 and RA-2 One-Family Districts having the following gross densities (including roads):

RA-1 - 18 dwelling units per acre
RA-2 - 21 dwelling units per acre

b. Lot widths shall not be less than ninety (90) feet.
c. Lot depths shall not be less than one hundred and twenty (120) feet.
d. Minimum yard setbacks of the RA-2 District as indicated in Article XIII of this Ordinance shall be provided.
e. Lot depths may be reduced to not less than one hundred (100) feet when such lots border on land dedicated to the common use of the subdivision as indicated in the following paragraph 2.
f. Rear yards may be reduced to not less than twenty (20) feet when rear yards border on land dedicated to the common use of the subdivision as indicated in the following paragraph 2.
g. For each square foot of land gained under the provision of paragraph 1 of this Article XIII-A, within a residential subdivision, through the reduction of lot sizes below the minimum requirements as outlined in the SCHEDULE OF REGULATIONS, equal amounts of land shall be dedicated to the common use of the lot owners in the subdivision in a manner approved by the Township.

3. The area to be dedicated for the common use of the subdivision shall be in no instance less than two (2) acres and shall be in a location and shape approved by the Township. Provided a parcel divided by a road or stream shall be considered as one parcel.

4. Access shall be provided to areas dedicated for the common use of the subdivision for those lots not bordering on such dedicated areas by means of streets or pedestrian accessways.

5. In approving the application of the "Planned Unit Development" the Township Board shall consider the following objectives:

a. To provide a more desirable living environment by preserving the natural character of open fields, stands of trees, brooks, hills and similar natural assets;
b. To encourage developers to use a more creative approach in the development of residential areas, thereby designing safety into the street pattern.
c. To encourage a more efficient, aesthetic and desirable use of open area while recognizing a reduction in development costs and by allowing the developer to bypass natural obstacles on the site.
6. Under this planned unit approach, the developer or subdivider shall dedicate the total park area (see Item 2 above) at or before the time of filing of the final plat on all or any portion of the plat.
7. Application for approval of a Planned Unit Development shall be submitted at the time of submission of the proposed plat for approval as required by the State Plat Act and the Subdivision Regulations of the Township.
