The holidays are over and the decorations down, but the happy memories linger on. The sub held a number of festive Christmas and New Year parties.

Young Bill Leber, from Cambridge, Massachusetts has just completed a 5 day visit with the Maxons. During his stay, 16 year old Vivienne Riskey held a Christmas party in his honor. The Riskeyes, the Maxons, and the Lebers became friends nine years ago on the campus of Michigan State when they were attending college. Vivienne and Bill were childhood playmates.

THE PARTY WAS a "gala" affair with dancing from 7:30 to 11 a.m. The teens that attended were: Carol and Paul Solits,

Marsha and Jim Smigles, La. Jans, Bob Hoffman, Joe Phillips, Rick Bradbury, Kathy Oliveri, Paula Jordan, Miriam and John Gordon, Doloras and Pat Kolvassa, Paul Pidgeon and Sue Bliss, and Vivienne's brother, Kenneth.

Jack and Rita Sherman held a gay New Year's party with nearly forty merrymakers present. Everyone in a jovial mood joined in with high spirits to sing and dance the old year out and the new year in. After 12 midnight a delicious turkey dinner was served by Bowman's Farm Cupboard, and the party broke up around 3 a.m.

Those who attended from the sub were: The Oslunds, Hoelits, Schmitts, Maxons, Olivettas, Detmanns, Riskeyes, Bins, Crullers, Anselmis, Beeks, Ashs, Phillips, Rittmans, Solits, and the Zuchowskis. Also, Sherman's brother, Fred VanAlphens and his niece, Shelby; Donald Kranz; Van Vliet and guest, Daman Wolf.

THE CHRISTMAS first prize went to Rose Franks, 21992 Tredwell. Her home was very beautiful with little red lights entwined around the white lattice work on the pillars of the front porch, on the shrubbery, and around the picture window that framed a lovely silver tree glowing in reflected glow of red and silver.

Second prize went to Robert Desser of North Brandon for his display of angels and lights. Third prize was won by Joe Cassar of Nine Mile Road for his brilliant display of multi-colored lights on his house and garage.

Earl Luft and Robert Huhns received honorable mention for their displays.

LAURA CLARKE and her friend, Pat Luzar, visited in Elks Rapids over New Years with Laura's parents, Mr. and Mrs. Edwin Clarke. Her parents returned with her for a week's stay with Juanita Snure, the Clarke's other daughter, and her family.

The Forest Park Mixed League bowling contest for the greatest number of pins over average was won by Barbara Bailey and her mother. They had a total of 56 pins over average. Barbara is the only youngster in the league and bowls a few games with her mother's partner (Mother received the prize which was a fifth of liquor).

After the holiday rush, things are once again settling back to normal every day life of Orchard Meadows. But during the holidays parties were given by many members of our subdivision.

To mention a few, Joan and Bob Deemer had open house on New Year's Day, Frank and Cathy Stevens on December 30, and John and Mary Combes on December 29.

THE WILLIAM DE HAASs and their children, Steven, Nancy and David, left the Friday after Christmas to spend the weekend in Grand Rapids. A get together with the whole DeHaan family on Saturday and visiting Marilyn's family on Sunday made it a very pleasant weekend.

At the Inaugural Ball in Lansing on New Years night were seen some residents from our fair streets. Harlene and Larry Gilson enjoyed the event and Larry especially was pleased to dance with Mrs. Ronney. It was a perfect ending to the busy Christmas season.

On Saturday, January 5, Dennis Buono and Danny Brown held a joint birthday party.

THE BOYS INVITED their guests out to Kensington Park for sliding; then back home for hot dogs, ice cream and cake. The friends invited to help the boys celebrate were: Larry Brown, Paul Buono, Mike Combes, Steve DeHaan, Steve Kirk, John Mc Graw, Kirk Bergsma, Tom Crump, Mike

Sickles, and Kern Gilson. Dennis' birthday was January 4 and Danny Brown's was December 25. Both boys are now seven.

On December 31 Rally and Kim Bridges made a trip to the hospital to have their tonsils out. They returned home on New Years Day and Rally was back in school last Monday with Kim following a few days later. We were happy to hear they recovered so nicely.

A bad skid often results from a bum steer. Proper steering is the most important essential both for preventing a skid and in getting out of one. If you do find yourself skating on the road surface turn the wheel steadily in the direction of the skid until the car begins to travel in a straight line. Avoid over-steering while attempting to correct a skid.
