The results of the Monday night election of new officials and area representatives will not be in the column this week because of the Enterprise's Monday, 3:30 p.m. deadline on column news; however, the complete election results will be written the following week.

Joe Zochowski of 21865 Leyla was one of the winners of DuPont Company sponsored contest that involved many phases of sales work and included branches in U.S. This sales promotion program ended with the winners going to New York on an all expense trip (including the cost of hiring babysitters) and with the possibility of winning one of the grand rewards of \$1000 or \$2000 to be given to 11 top salesmen.

**JOE AND CORA** left home on a 6:30 train January 22, and they expected to arrive in New York 12 to 13 hours later. Due to extreme cold, the train was slowed to a crawl and made frequent stops. The swiftest chest picked up ice, and some compartments were without heat. All in all the trip took 22 hours of miserable travel and discomfort.

However, this was the only unpleasant part of their trip. They stayed at the Americana Hotel and enjoyed an itinerary of fun that met of us dream about doing on a trip to New York.

**FIRST, THE AMERICANA** chartered buses and they were taken to the Hawaiian Room in the Lexington Hotel for dinner. The food was all Hawaiian, and so were the hula girls. One of the girls picked Joe, as a partner, to teach hula dance. Cora said Joe did real well and enjoyed the kiss she bestowed on him at the end of the dance.

Next day, another chartered bus took them on a tour of the United Nations, China Town, upper and lower New York, and ended with cocktails and lunch at Toots Shor's.

All their evenings were filled with entertainment, such as 3 live television shows which included the "Tonight Show", seeing the "Rockets", enjoying the newest Tennessee Williams play, "Stop the World I Want to Get Off", a visit to the Peppermint Lounge (Joe said Mr. Twist was like a slow waltz compared to what can be seen at the Lounge); and a few hours at the Gay Nineties.

The climax of the trip was the big banquet where the grand rewards were given out. Lucille Ball and her husband, Larry Norton, were host and hostess of this lively affair. They entertained, handed out awards, and posed for pictures with each of the salesmen.

Monday 27, they climbed off cloud nine and returned home to the big banquet where the grand rewards were given out. Lucille Ball and her husband, Larry Norton, were host and hostess of this lively affair. They entertained, handed out awards, and posed for pictures with each of the salesmen.

**SORRY TO HEAR** that the Nolan's little 3 year old fell from an upper bunk-bed and fractured his collar bone.

The next meeting of the Garden Club will be held at Lois Allen's home at 23061 Tredwell, Tuesday, Feb. 19. With the winter doldrums gripping most of us, this should be a refreshing "June in February" session. Barbara Maxon is going to show her beautiful, colored movies of Hawaii which are filled with lovely flowers and plants of the island.

A week ago Tuesday, Al and Phyllis Borsi's daughter, Marilyn, became sweet sixteen. That same day a young man on the next street blew out three candles on his birthday cake. He is Don and Mariellen Greenbury's son, Mark.

Congratulations this week all go to Ruth and Al Shobe who celebrated their seven years of marriage on February 6.

**MARY BETH LATIMER** was lucky enough to celebrate her birthday on two different days. Sunday, the day she actually became eight years old, her parents took her and her brother, Patrick, to the circus. Monday she invited 15 of her friends and classmates to an after school party and a birthday supper. The little girls all arrived on the school bus for the party. After games and supper all the young ladies were returned to their homes.

Illness in the homes of several of the Applescopes dropped the number of dancers to nine couples last Saturday night. However those healthy dancers who made it had a most enjoyable evening. Betty Garza and Kay Hamm provided the refreshments. The next meeting of this group is scheduled for March 9.

**DATES TO REMEMBER** are tonight, Thursday, the Longacre P.T.A. meets eight. An interesting program has been planned for all parents. In addition the Board of Directors will make their recommendations as to how they feel the profits from the recent Fun Fair can be spent to do the most good.

All residents of the township should make it his or her business to vote next Monday, February 18, in the Primary Election. Good government is often discussed with friends and neighbors, but unless we get to the polls we have no right to voice our opinions. There are a number of good men who want to prove to us that they can best serve the interests of the people of Farmington. Decide for yourself, then support them on Monday.

By now everyone has received the notice of the subdivision dinner to take place on Friday, March 1. Make your plans and reservations early if for no other reason than that baby sitters are always at a premium in this area.
