Spartans Earn Cage Triumph

The Farmington Junior High Spartans beat the Dunckel Warriors last Friday in a rough and tumble basketball game 47-32.

In the JV contest Steve Schuler led the Spartans, scoring with 10 points. The Spartans had little trouble beating the Warriors by a score of 29-15. The JV lost only one game in the ten games they played this season.

THE VARSITY BOYS had it rough going on while. Dunckel led 10 to 7 in the first quarter, but the Spartans pulled ahead 16-4 at the half. In the second half, Farmington held its lead, amidst a technical foul on the Dunckel Coach's 3 or 4 injuries to both teams, and a lot of yelling and arguing. The final score was Farmington 47, Dunckel 32. Ron Cleveland had a season high of 22 points in the game.

These boys from F.J.H. are going to represent the high school next year. With the outstanding basketball record of only one loss in three years of basketball for these fellows, you can be sure of hearing a lot from Ron Cleveland, George Habicht, Joe Cranston, Mike Wilson, Bill Pell and all the others from Farmington Junior High.

"Bare feet are healthy feet!"

But this new kind of shoe for children 3 and under is so revolutionary, it feels like "walking barefooted with shoes on".

The trouble with feet is shoes, says Simon J. Wikler, a Florida podiatrist and creator of this remarkable shoe. According to Dr. Wikler, 8% have foot trouble by age one, 41% by age five, and 80% by age 20. Yet he has never heard of a native with fallen arches in countries where most people go barefoot. But going barefoot isn't always practical, so he developed and patented a new kind of shoe that lets children "go barefoot with shoes on".

The fan-shaped toe design of the Wikler Shoe™ by Buster Brown let toes spread naturally, foot muscles flex and develop fully. Its soft leather uppers have no irritating inside seams or metal shanks to interfere with the flexibility of the sole. It lets a baby's foot grow and exercise normally.

We are privileged to carry this remarkable new shoe. Won't you stop-by soon?

1963 Baseball Season to Open For Area Boys

The Colt, Pony, Major, Minor and Tee Ball Leagues will have their rally Tuesday, April 2. All boys ages 8-16 years old who plan on participating in the forthcoming season and their parents are expected to attend at 7 p.m. in North Farmington High School.

The Little League encompasses a range from the Tee Ball League which introduces the art of baseball knowledge, coordination and sportsmanship for the 8 year olds, to the Colt League for the polished in year olds.

This is an experience with proven beneficial results in an education—whether leading to a future career in baseball or in just becoming a man. All boys residing in North Farmington from 11 Mile Road to the northern boundary of the Farmington School District who are 16 years old by August 1 and will not be 17 by that date are eligible.

The registration and physical examination will take place at Bond School on Saturday, April 6, at 10 a.m.

FHS Reserves Post 6-4 Mark

The JV Falcons closed out their cage season on a rather dull note by dropping a 64-41 decision to the Walled Lake Vikings. The Falcons closed out conference play with a respectable 6-4 record and an overall season record of eight wins and five losses.

It just wasn't the Falcons' night as the Vikings took charge of play early in the game and from that point on they couldn't be stopped. Walled Lake moved into a 16-0 first quarter lead and increased their lead to 26-18 at halftime.

In the third and fourth periods the Falcons continued to have their problems. They closed out the third period on the short end of a 44-29 score and they continued to "take it on the chin" in the final period as play ended with the Falcons being bounced by 23 points, 64-41.

Pacing the Falcons' scoring attack were Marshall Ballman and John Olander with nine points apiece. Following were Terry Taggart with eight points; Chris Christensen with seven points; Lloyd Nichols with five points; Neil Starr with two points; and Dick Johnston with one point.
