HELP WANTED
Anyone answering ads for salesmen should understand that most firms are reputable and ethical, yet there are some which are not. A prospective salesman should investigate carefully. A call to the Better Business Bureau is always a safe procedure. The Enterprise is not always able to check up on individuals or distributors, and warns those answering such advertisements that this is entirely their responsibility.

Long Distance Dialing Change To Go Into Effect April 1

A new dialing system to safeguard telephone users from accidentally misdialing long distance numbers will go into effect in Farmington at 1201 a.m. Sunday, April 7.

The procedure will also become effective for Livonia, Grosse Pointe, Plymouth, Northville and Novi at this same time.

The new dialing procedure will apply to all telephone calls in the West and to most customers in the East Area directory.

Under the new procedure, callers will dial the number "1" to become connected with the long distance network and then dial the distant telephone number exactly as they now dial.

Unless preceded by the number "1", dialed long distance calls won't go through after April 6.

Local and message-unit calls will be dialed as they now are by just dialing the telephone number. The introductory practice of the April, 1963, West and Downriver Area directory will explain fully the new dialing procedure, Bronaugh said.

The number "1" is known as an "access code" which, when dialed first, connects callers directly to the long distance network. The access code will prevent misdialed local or message-unit calls from becoming unintentional long distance calls.

Bronaugh cited an example of a misdialed call. "Should a customer intending to dial a Superior 8-789 number in Detroit, mistakenly dial SU 9-789, his call would end up in the Township."

The unusually high percentage of traffic accidents handled since the first of the year Township Police gave rise to the special study.

Chief Yakes will determine at the completion of the study what steps are necessary to eliminate any possible high accident rate areas in the Township.

The regular monthly meeting of the Village of Wood Creek Farm Council on Tuesday evening, March 5, was cancelled this week due to the death of Councilman Carl Ambrose who suffered a fatal heart attack on Sunday, March 3.

Tuesday evening, March 12, has been set as the date of this month's Village Council meeting. Board of Review hearings will also be conducted as scheduled on March 12.

The Staman Acres Stitches will meet next at the home of Mrs. Joyce Thompson on Rockycrest Drive, Wednesday evening, March 13, at 8 p.m.
