**This is Kimberley**

JUDY BURNS  
GR. 4-312

The tow-trucks' continue to do a booming business extracting residents and visitors from Kimberley's swampy drainage ditches. The junction of Pipers Lane and Kiltartan has been designated a flood area, which sounds as though we're entitled to federal aid or Red Cross emergency supplies. Despite the severity of the situation Burns' but ya the big yellow sign becomes an annual reminder rather than a temporary warning. The most heartening aspect of our liquid condition is that it is due to the increase in temperature. The thaw, plus the fact that the tulips have broken the surface must mean that spring will soon be a reality.

**IMPORTANT DATES** This week include the Monday night, March 18, PTA meeting, which will feature the Woodwind Quintet from the Detroit Symphony Orchestra. April occasions worthy of red circles on the calendar are the PTA Pancake Supper on Saturday evening, April 20, and the annual Kimberley Spring-Bitter Dance on Saturday night, April 27, at Meadowbrook Country Club. Jill Emerson is the new social chairman for the Association, and would appreciate hearing from any Kimberley-ite

interested in working on one of the dance committees. Call Jill, 474-0793, if you'd like to help sell tickets, decorate, distribute invitations, etc.

Speaking of parties, the new Kimberley Teen Club hosted an "Inch Twist" on March 8th at Beechview, reported to be an even bigger success than their initial dance last month. A recent survey of Kimberley by the club disclosed that we have just over 100 teen-agers, by the way, ample proof of the need for such a club and practically a built-in guarantee for its success.

**THE TEEN CLUB** also had a tobogganing party on March 1st at Edward Hines Park, and from 7 to 10 enjoyed tree skating and sledding. Keith Sutton, one of the club's vice-presidents, reports that a great time was had by all despite a mile up in the car train. The group had originally planned to go to River Rouge, but arrived to find the runs closed, necessitating a last minute change in plans.

Teen Club officers are: Judy Butler, president; Carol North and Keith Sutton, vice-presidents; Don Phillips, treasurer; and Bob Kainz, secretary. The club holds frequent meetings, most recently on March 12th at the Butler home, and to all Kimberley teen-

Shortly after Jodde's birthday the Emerson family departed for a ten day vacation in Florida, where they visited the parents at their home in Fort Walton Beach. Jodde, born on her grandfather's 70th birthday, and Jay remained with their grandparents while Joe and Jill went to Fort Lauderdale for a few days.

Also recently returned from ten days in the sunny south are Don and Cathy Howard of Pipers Lane, who with their children Janice and Julie, 4 Doug, 3, and Bruce, 8 months, visited Don's brother and his family in West Palm Beach, Florida. The Howards journeyed leisurely by car, stopping at Lookout Mountain in Tennessee to take the highest cable-car ride in the world, Marine Land in Florida was a highlight of the trip, especially for the children.

Lil Clark and Jo Olson report that the new Kimberley Women's Bowling League is now filled, but that names are still being accepted for the substitute list and in case of drop-
