Spring has come or at least, being pruned throughout the subdivision. It will be time soon for that first spray to come in the fall.

Home In Old Homestead

JACQUELINE DAVIS GR. 4-1230

About ten days ago a virus invaded this member of the Davis family. When they arrived my "get-up-and-go" got-up-and-went. I truly didn't have the ambition to try to write a column last week.

I was not alone in my bout with the bugs, reports come in that a good percentage of the Old Homesteaders either are sick or were in the process of developing something. People recover between the time that the column is written and the time that the Enterprise is delivered so there really is no sense listing the names of individual patients.

ALL OLD HOMESTEADERS are proud of Marguerite Dale who was honored publicly by the Gordon Williamson Co. for her outstanding sales record. Marguerite works out of the local office and so most of her selling activity is in the Farmington area. Marguerite has

been responsible for bringing many new families into this particular subdivision. The most recent of these families arrived about ten days ago. Jack and Joan Primeau with youngsters, Jill, 3 1/2 and John, 7, moved into their new home at 2820 Steele, in Cleveland, Ohio. Johnny is in the first grade at Longacre and has already become acquainted with the youngsters living nearby.

Birthday congratulations this week go to Rick and Jo Bonfard's daughter, Barbara, who blew out three candles on March 15, to Stan and Theresa Gibes' son, Richard, who became seven on March 16. Jim and Marge Christian's son, Randy, became a teenager, a week ago Monday.

RICKY BOUFFARD, Joy, Kenny, and Johnny Davis, Craig Nankervis, Barbara North, Johnny Nankervis, Rhett Matson, and Johnny Switzer were present for an after school party to celebrate the sixth birthday of Johnny Vivier two weeks ago. Johnny's big sister, LaLa, and her helpers have plans for a most interesting evening.

The moves family invited aunts, uncles and cousins on Sunday to help them celebrate two birthdays. Karen became eleven on March 18 and her all brother, Billy, arrived at their old age of seven on March 21.

Gloria's mother, Mrs. Nadine Hillier, had been visiting the Howes family since last summer. Now that winter was about over she was anxious to return to her home. She was

Unable to wait for the birthday party, but left for Covina, California March 25. Grandmas are very special people and this one is greatly missed.

CONGRATULATIONS go to Ken and Kay Humm who celebrated their seventeenth wedding anniversary on March 13 to Lee and Isabel North who were married nineteen years ago on March 26.

Dates to mark on your calendar are April 2 for the North Farmington Baseball for Boys Rally and April 6 for the physical exams for interested boys. Remember that the boys must be accompanied by a parent on both dates.

The Old Homestead Social Committee asks that all ladies reserve Wednesday, April 24, for a Ladies Nite Out Party. In the past several years each social committee has planned a ladies only activity, so plan for a fun evening.

Remember, the men have an annual stag party later in the year. Mary Checketts, our new Social Committee Chairman, and her helpers have plans for a most interesting evening. Make a point to attend to renew acquaintances with the neighbors that you haven't seen all winter and to meet the new residents. More details later.

Elect ROBERT J "Dutch" SCHULTE For COUNCILMAN

I reside at 3234 Valley View with my wife Helen and our two children. As a longtime resident of Farmington (41 years) I have literally "grown up" with our community (graduate Farmington High School, 1933). I am presently a Real Estate Salesman for Westgate Realty with offices in Farmington. I believe that my long association with this community as well as my experience in the real estate business provide me with the background a good councilman should have. I am convinced that improving the Business and Industrial Climate of our community will lighten the tax burden of the individual taxpayer and still give us many needed improvements. If elected, I will work toward this end.
