### Falcon Tennis Season Begins

Unlike the present baseball team's situation, the two-year old tennis team, coached by Mr. Gerald Potter, sports six returning lettermen of which all but one are seniors.

The roster of returnees includes: seniors, Harry Waller; Larry Capps; Warren Smith; James Merced; Greg Gebben; and junior, Wes Orr. The preceding players will, of course, not comprise the entire team; in fact, Coach Potter announced his intention of "carrying on the squad all the sophomores that come out this spring."

The tennis season, year promises to be full - competition wise. The team is scheduled to play 11 matches, seven at home and four away.

This year's team has a definite advantage over last year's pioneer squad which had only two courts on which to practice. The current team has been provided with four more courts which are located immediately behind the football field.

Tennis teams in the Inter-Lakes League follow a format of three single and two double matches in each meet.

Inasmuch as the Falcon netters have one year of experience under their lettered sweaters and a larger turnout than they had last year, the squad seems to have a good chance of bettering last year's record of five wins, four losses and the third place position in the league.

Dumbo Cartoon Show Sponsored by PTA

Admission will be 25c per child. Candy may be purchased if so desired. All of the boys and girls will be entertained when they see Dumbo, the flying elephant!

Gary Hayward and Mike Burdick of Pontiac Northern, and Dick Kaskuri of Berkley were the other three elected to the first five. Hayward also achieved an All-Suburban rating from the Detroit News.

Grimala, playing his third year on the FHS varsity, scored 228 points this season for a 12 point average per game. His high game this year was 20 points against both

Covering for the human foot!!! Shoes have changed since Webster walked. For a case in point, take this Airborne cushion shoe by Roblee. It pampers your foot - cradles it in a sponge soft cushion that gives mellow comfort and extra support. You almost feel airborne.

And "cloth uppers"? Not any more! Roblee features only top grained calfskin uppers for matchless appearance as well as fit. Take our word for it, you won't find a better looking shoe for twice the price.

Whatever you do, don't take Webster's word. Come in and look up Roblee's new definition of quality shoes - at a price that's easy to pay.

## BUSTER BROWN.

"Bargain" shoes:  
can your child afford  
to wear them?

Think twice about "pick and save" shoes. You can't be positive they'll wear well, or even that they fit exactly as they should. And that could mean trouble for growing feet. When you buy Buster Brown Shoes, you get real economy: a combination of fine quality, plus the interest and experience of the man who sells them. We use the famous Buster Brown 6-Point Fitting Plan which measures both feet at all key points, and also allows just the right amount of growing room. The shoes we sell - Buster Brown Shoes - are made with pliant, supple upper leathers. The soles are sturdy but flexible. And they give young feet the support they need.
