The Women of Kendallwood Farms would like to thank everyone who helped make their annual card party such an overwhelming success. A special "thank you" to Mary Trebble, Lillian Axelsson and their never tiring committees. Also "thanks" to the generous merchants who so graciously donated the many door prizes and table favors. The proceeds from this party will be presented to the Plymouth State Home and

Training School

These circles are under the leadership of chairwomen Rita Bailey and Maxine Benish.

RELATED BIRTHDAY greetings to Bob Campbell, Frank Love and Robbie Hugemann who recently ushered in another year.

Sympathy is extended the Santos family upon the recent passing of Mary's mother, Mrs. Emma Hagwood.

With sunny days and plenty of moisture to feed them the lawns are growing profusely, the power mowers are in frequent use by residents who would not did you ever hear of a run away lawn mower. Well the tale went like this.

One sunny day last week Maxine Dislavak, with baby, Gayle and Corley, their faithful cocker spaniel on guard, were busily mowing their half acre and decided to hasten with the chore and check on the whereabouts of the baby. So she put the mower in neutral and proceeded to do so.

Upon returning to the spot where the mower was left, Maxine was surprised when she discovered the lawn mower missing and no where in sight. The mystery was solved when one of the neighbors called and told her if she was looking for her runaway mower it was resting by their front door.
