## Crest Beauty Salon ADDS TWO MEN HIGH STYLISTS

Crest Beauty Salon has finally been fortunate in procuring the services of two men who are Exceptionally Good High Stylists. The Salon was built in the Fall of 1959 at 27432 W. Eight Mile Rd., 1 block W. of Inkster Rd., For 2 years hair of the building was leased to another concern. However, Conscientious Work and Quality Materials caused such an increase of Patrons that the dividing wall was removed and they started occupying the whole building last year. Because the song "A good man is hard to find" also applies to Stylists. The Salon feels quite successful in adding MR. RONNIE SHELTON and MR. DARION DEVIK to complement the girl operators. Both of these men have participated in hair fashion shows.

MR. SHELTON winning a prize trophy from HELEN CURTIS Color Essence Show.

MR. DEVIK has appeared as Guest Artist for REVOLVON.

LADIES STEP FORWARD

BY JEAN

As more than a few women have noticed, hair changes are by no means stable. Younger women who have hair problems in their teens, sometimes find in maturity that their hair is more manageable and responds more quickly to proper care. Then again, women who for years enjoyed the blessing of easy-to-care-for hair, will discover to their dismay that their hair somewhere along the line has been losing qualities of easy manageability.

The change can be better understood if we realize that hair is a living thing, reacting to growth, nerves, emotion and personal health.

Also, ladies, hair reacts nicely to careful and skilled

attention at JEAN'S BEAIRE BEAUTY SHOP. Tinting, a permanent or high styling—whatever your desire—you can count on efficient, skilled and interested attention at JEAN'S BEAIRE BEAUTY SHOP, 24109 Orchard Lake Road, GR. 4-7810.
