

It is estimated that 85 to 90 percent of all food eaten in the United States is processed in some way. This means packaging in all shapes, and sizes in unbelievable numbers.

A nodding acquaintance with the man in the moon is going to cost about 20 billion dollars, according to reports on Project Apollo.

IN MICHIGAN BEER IS A NATURAL

Brewed slowly, by a centuries-old natural process, beer is Michigan's traditional beverage of moderation—light, sparkling, delicious.

And naturally, the Brewing Industry is proud of the millions of dollars it contributes to this state's economy through wages, advertising, rentals, insurance, transportation and utilities. Money made in Michigan, spent in Michigan. In Michigan, beer belongs, enjoy it.

Pat's parents have just been transferring from their winter home in Sun City, Arizona to their summer home at Lake Woods, near Alpena. Pat's mother went directly to the upper peninsula due to her sister's illness, but her father stopped over for a visit with them.

They drove to Anaheim and, of course, spent a day at Disneyland. Here they had friends who have a Chinese junk and they were taken for a wonderful day's sail on it. They spent a day at nearby Laguna shopping. Then all, including the friends of the junk, had dinner at Victor Hugo's. They also drove to the Mission at Capistrano. After returning this car to Los Angeles as they flew to Palm Springs, where they stayed at the Old Colony. The Eisenhowers were at the El Dorado the first three days of their stay there. When as they did not see the famous couple they did drive out to the El Dorado to see the wonderful golf course where like so loves to play. They flew home early this month.

Walter J. Gardner Elected R. L. Polk & Co. President

Walter J. Gardner, of 26350 Halsted Road, Farmington, has been elected president and general manager of R. L. Polk & Co. by the firm's board of directors. It was announced recently by Ralph L. Polk, chairman of the board.

Mr. Polk, who has been both president and chairman of the board of the 93-year-old publishing company, also announced the executive promotion by the board of directors of Roger D. Monforton, of 32372 Old Forge Lane, Farmington. He was appointed vice president and general manager of the company's City Directory Division. Mr. Monforton has been assistant sales manager of the division and general manager of the Polk Company's Canadian city directory operations.

MR. GARDNER, who becomes the company's fourth president, joined Polk in 1953 and has been executive vice president and general manager since September of 1955. He was named to the company's operating committee in 1952 and a year later was elected to the board of directors and executive committee. He has been a resident of Farmington for over 20 years.

Starting as a salesman in the City Directory Division, Mr. Gardner advanced to field sales manager, division manager and general sales manager. In addition to his other duties, he has served as general manager of the City Directory Division since 1952.

FIFTEEN YEARS with Polk, Mr. Monforton has served as manager of the Cleveland City Directory office and as assistant district manager in the City Luminary.

He has been assistant sales manager of the division since 1961.

The business of R. L. Polk & Co. is carried on through six divisions: The City Directory Division, the Direct Mail Division, the Motor Statistical Division, the Motor List Division, the Bank Directory Division and the Bank Business Development Division.

With national headquarters in Detroit, the company maintains facilities in most major American cities, and its activities extend throughout Canada, Puerto Rico and the Hawaiian Islands. Nationally, the firm employs more than 6,000 persons and occupies more than one million square feet of floor space.

"A sewing circle is where women come to needle others," Robert N. Will, Money (Ind.) district manager in the City Luminary.
