CHILDNEN'S HOSPITAL, a Torch Drive agency, tracked 136 Farmington youngsters and one from Farmington Township this past year, according to figures released this week by the United Foundation. The group of women pictured above are vol-unteers who will direct this year's U-F Torch Drive in one of the two districts of the community. They are (L to R back

row) Mrs. Arthur Mazur (Regional Chair-man), Mrs. John R. Mathot, Mrs. W. Don-ald Davidson, and Mrs. Waren G. Boopy in the front row (I to R) are Mrs. Donald Schlack, Mrs. Rohert Love and Mrs. Rus-sell G. Socall. Absent when the picture was taken was another of the area chair-men, Mrs. Robert Clans.

ents, Mr. and Mrs. Fred Taylor. They spent some time swim-ming and pienicing at Owasco Lake which is in the beautiful Finger Lake region. Burnt Hills, New York, was their next slop where they spent some time with Mr. Rodewig's parents, Mr. and Mrs. George Heckler. They enjoyed a day in Con-cord, which is the home of Mrs. Rodewigs brother and sister-in-law, Captain and Mrs. Fred Tay-lor.

Operator and, if need be, ask the Operator to call the police or fire department. When children understand what a phone is for and how fou sei, they're less apt to regard it as a toy, or "play games" that could interfere with calls from people trying to reach you.

CAREFREE TRIPS are at your fingertips this summer main you remember to phone ahead. It's really amazing how many summer-... when you remember to fun problems the phone can solve for you. And how many ways the phone can add to your fun! Like making sure of your reservations, on a two-week trip. Or inriting a friend to join you for

a swim on a warm Saturday afternoon. And when you're on the move, Michigan Bell has 45,000 public shones to serve you. You'll find them alongside high-vays, near the beach, in stores and office buildings.

hμ

COST CONSCIOUS? Costs are on everybody's mind these days. And that goes for your telephone company, too. For example, Western Electric, the manufacturing and supply unit of the Bell System, recently developed a new method of making the familiar "plungers" for the handset cradle on telephones. The new method

cuts nearly two cents from the cost of manufacturing each phone-an aggregate saving of over \$100,000 a year. Cost reduction is an everyday part of our job, helping us provide you with telephone service that is high in value, low in cost,
