Chairman's Comparative Table comparative table to show reductions in tarif duties made upon uccessarries. In each item both the present tariff and the proposed tariff had been reduced to an advalorem basis.
The new rates are estimated lo reduce the customs revenue approximately \$30,00,000 ay zer. This is expected to be made up by the income tax.

Indorsed by President Wilson, the measure represents the efforts of the president and house tariff makers to carry into effect Democratic piedges of downward revision and of emecasions to the American consumer.
