Church Women Adopt Child Under Foster Parents' Plan

In place of the boy in Korea, financially "adopted" a few years ago and who no longer has a PLAN help. The Women's Association of First Presby-
terian Church, 2615 Farmington Road, Farmington, have fi-
nancially adopted a Korean boy, a 9-year-old Korean boy, who is a stepchild of a Korean family in the PLAN way.
The Women's Association of the First Presbyterian Church has promised to contribute \$15 a month for the child's support for at least a year.
The Women's Association has already received a picture of the new overseas relative. A complete case history of the child accompanied the photo-
graph.
THE FIRST LETTER has been probably arrived by now, both original and translation. In a Foster Child may describe how it feels suddenly to have shoes on its feet, a mattress to sleep on instead of a dirt floor, and the comfort of a full stomach.
He always reports on his progress at school. Letters from his Foster Parent, both original and translation, are treasured. Often they tell about life in America. Letters are exchanged monthly.
A Foster Child starts learning about generosity, American-style, as soon as he is selected by a PLAN social worker in his country, and okayed by the local Director. He draws all benefits while PLAN matches him with a Foster Parent who wants someone his age and national-
ity. Eligibility is determined by

Now Far East Operations Mgr. Of Hooker's International Div.

FRANK W. HENDRICKS has been named Far East Operations Manager of Hooker Chemical Corporation's International Division, effective August 1. The appointment was announced by William D. Morrison, General Manager of the International Division.
Mr. Hendricks will be responsible for the financial, sales, production and other operational phases of Hooker's subsidiaries and affiliates in the Far East, and will negotiate and supervise all licensing in that area. He is also responsible for licensing of processes of Hooker's Parker Rust Proof Division throughout the world. Mr. Hendricks will be located at the International Division offices in New York City.
A NATIVE OF Detroit, Michigan, Mr. Hendricks started his business career in 1946 with the former Parker Rust Proof Company of that city, now the Omark Company of that city. Since 1952 he has been legal counsel for the Parker Division since the merger.
Mr. Hendricks is a graduate of the Detroit Institute of Technology, and also holds the degree of Jurist Doctor from the Detroit College of Law.
In his career with the com-
