JO ANNE GUNDERLOCK GR. 6-2542

Saturday, July 20, a surprise farewell party was held in honor of Mr. and Mrs. Jack Richards of Glenhead. Thinking that they were going to see the family of Westbrooke, the Richards arrived at the McFalls, and were amazed to find many of their friends assembled to greet them. After a brief time of chattering and joking, guests enjoyed a buffet dinner at midnight.

Those attending the party were Mr. and Mrs. Elmer Munsie, Mr. and Mrs. Trevor Clark, Mr. and Mrs. Ted Skon, Mr. and Mrs. Gerald Pedder, Mr. and Mrs. Hugh Knoll, Mr. and Mrs. Mathew, Dr. and Mrs. St. Paul, Minnesota.

A warm welcome is extended to the Robert Best family of Glenhead who just moved to Dearborn Heights. The Bests and his wife Ann have four children: Christopher, 10; Melissa, 7; Karen, 3; and Jason, 14. Mr. Best is with Republic Steel Company, and the Bests had previously resided in Delaware, Atlanta, and Cleveland before moving to Dearborn Heights. The Bests enjoy bridge and golf and we hope to see them soon.

Gerald Canon of Bannockburn celebrated his ninth birthday, Saturday, July 28, with a party at the home of his mother, Mrs. Canon. The boys played games, ate cake, and enjoyed the company of their friends. The party was a success and all enjoyed it very much.

KATHY MCCORT of Lorikay, together with several other Farmington children, recently spent a wonderful weekend at the home of Mrs. Canon. The girls enjoyed the company of their friends and the beautiful surroundings of the Canon home.

16 New Traffic Laws in State To Take Effect

Although the Legislature raised the nighttime speed limit on Michigan Interstate freeways to 70 miles an hour, the new laws will take effect on September 6, 1962, which is 10 days after the Legislature adjourned.

Other laws which take effect in September prohibit the operation of any motor vehicle on any highway with parking spaces established at 45 mile minimum speed on freeways; require every school bus to be equipped with a large convex mirror; enable drivers to observe through its use the road from the front bumper forward to a point where direct observation is not possible.

Not all of the sixteen laws involving motor vehicles and highways were directly sponsored by the Department of Transportation. The Michigan State Safety Commission, which they tend to make uniform Michigan traffic code with those of other states.

SOME OF the new laws are highly specialized, like that requiring two red reflectors on tractors or requiring that the driver of a truck be paid at least on the side of leased vehicles, and are of primary interest to owners of other than passenger cars.

Other laws make it unlawful to park, stop, or leave unattended any motor vehicle on a limited access highway except for emergency.
