"Returning from summer vacation recently, we Don and Marlene Anderson of Kiltaran and their two children after 10 days at Calumet, Michigan, and Jeanne, Lynn, Marlene, and Bob Edall of Kiltaran after 10 days at Copper Harbor.

Steve and Joan Martello of Pipers Lane are just back from their cottage at Oswego Lake where they and the children spent 8 days swimming and fishing. George and Evelyn Fletcher report they had a wonderful time during their week at Bala Muskegon, Michigan with their children and Evelyn's mother, Gertrude Hick. Bala Muskegon incidentally is where the Petchers honeymooned 16 years ago, so the trip was especially nostalgic.

Robert and Jack McIntosh of Wicklow Court spent a week at Cold Water, Michigan with their four children, and had a wonderful time until just as they were ready to leave, Robert received word that his mother had taken ill in Omaha, Nebraska while attending a funeral there. Robert flew to Omaha immediately to be with his mother, Margaret Brice of Geneva, Illinois, and happily Mrs. Brice is now recovering nicely.

Robert was expected home early this week by an engaged husband and unaccompanied "bachelorette" in her absence, Maureen Allaire, of Wicklow Court, who has been transferred to Syracuse, New York. Vincent, 6, and Michael, 3, were cared for by other friends.

The Wooddale P.T.A. officials for the current year have been elected. The newly elected officers are: President, Margaret Rupp; Vice President, Mary Lynn Cairns; Secretary, Mary Lynn Cairns; Treasurer, Mary Lynn Cairns; and Publicity, Mary Lynn Cairns.

We did have some birthdays in August. Both boys are named Gary, quite a coincidence. Gary Havel son of Mr. and Mrs. Bill Havel celebrated his 10th birthday with dinner out plus a movie of his choice. Gary Lindson son of Mr. and Mrs. Stan Lindson of Thorne Brae Court has his sixth birthday and it was a swim party at the Kendallwood pool. Following that activity, there was a party with ice cream, cake and all the trimmings.

SOME MAY remember Ken and Mary Taylor who lived on Bayberry. Accompanied by their children, Bruce and Janice, they went to Australia last June. Mr. Taylor is with Ford Motor and took the assignment for 18 months. We had word from Granddad Taylor who reports that all is well and the Ken Taylors say "hello" to all their neighbors. It's winter now in Australia.

Now a "Welcome" to the following folks who moved into our area just recently. Mr. and Mrs. J. Garcia are making their new home on New Castle. They hail from Philadelphia and have three youngsters. Mr. and Mrs. Jim Haynes moved in on Hawberry and their latest home was a Florida although they are originally from Detroit. They have three boys and Mrs. Haynes is a pharmacist.

Plus, we have news on the results of the Northwest Suburban Swimming League which was held at Forest Hill Swimming Club August 21, 22, and 23. The Kendallwood Swimming Club is a member of this league and the youngsters who qualified in the finals are as follows: Congratulations to them all. In the 11 to 12 Backstroke: Debbie Cairns won 5th, Tim McMan.

WELCOMES TEACHERS!

To The New Teachers in The Farmington Schools and To The Teachers Who Return Again This Year . . . We Wish You a Successful Year.

IF WE HAD NO TEACHERS!

If We Had No Teachers

Our children would not learn to read or write . . . They would not benefit from History . . . the experiences of mankind through centuries.

If We Had No Teachers

Our children would live in a world of ignorance and misunderstanding. The people of the world would exist in intellectual darkness . . . a darkness shrouding the present . . . preventing a bigger tomorrow.

If We Had No Teachers

Our children could not enjoy great literature of the world's writers . . . the music of the composers . . . the Arts in their many forms.

If We Had No Teachers

Our children would not enjoy the thousands of scientific and medical discoveries that have benefited civilization.
