

Do you take full advantage of the many kinds of food information available on radio and television, in newspapers and magazines?

Patience is not passive; on the contrary it is active; it is concentrated strength.

At the peak of its activity, about 40,000 men were employed on the Panama Canal. The national anthem of Malaya borrows its melody from "Moonlight" an old love song. . . . Malayan musicians, however, are forbidden to play the anthem as a love song.

Kendallwood Komments

EMILY ORR

GR. 47499

All women of Westbrook and Kendallwood subdivisions are invited to join us to witness the most unique fashion show of the season on Tuesday, September 10.

Uncluttered elegance, unusual distinction, professionally sewn garments modeled by our club members will highlight the "Fabric Magic" show. The big story of the whole new color feeling created in a galaxy of patterns and interpreted in becoming styles.

All of this is coming to you through the courtesy of Hinkles of Farmington.

We have learned from Mrs. Stewart at Hinkles that they have in stock the materials you will be seeing in "Fabric Magic." Hinkles has also offered to get our stage with bolts of material. These fabrics will include wools, silks, etc., to exemplify the versatility of a single garment pattern. They are inspiring your sewing talents and wardrobe ideas on into the winter season.

AMATEUR or expert, you may have questions about fabrics, patterns, sewing, etc. Merle Glick, amateur expert, will be your guide. Merle is commanding the show. That evening she will be part of a duo on the commentary—Merle explaining technical aspects, Shirley Kinsley devoting her talents to the dialogue of fashion.

Prior to the fashion show, we'll start our new season off with an initial business meet-

ing. Learn about our club's purposes and objectives.

REMEMBER, we're running our own small version of adult education. Registration, from September 10 through September 30, will be on a "first come, first served" basis.

September 10 joiners will be "first come." If you must be out of town September 10, pre-registration with Rita Wayne, 28329 Westerline is possible. These will be considered early to a September 10 registration.

Elsie Dempster, program chairman, says there's sure to be a course to tempt you. For the home economics enthusiast there'll be a cake decorating taught by Mrs. Ann Wieder and the flower arranging will be handled by Mrs. Mary Trebbie.

THERE will also be a class in the delectable specialties, Mrs. Dorothy Carpenter and Mrs. Nancy Mitchell.

Knitting is back and gaining momentum. Mrs. Ann Trambauer from the Farmington Hobby Shop, will assist you with knitting or any other handwork of your choice, that is, crocheting, needlepoint, etc.

Our newest edition is a class in the Bishop's method of Sewing. Imagine, this revolutionary method should allow you to sew five to seven times as fast.

Mrs. Jean Lindberg will conduct a lecture demonstration, as she does for the board of education.

As an intellectual the book review group is "your cup of tea." Mrs. Miltie and Doree of the Farmington Public Library will host the first meeting and then she hopes that the members of the group will try their hand at a book review.

AS YOU CAN see, most of these women are professional teachers and must be remunerated for their services. The club is sharing the cost with you. A nominal registration fee of two dollars (slightly more for sewing and millinery) from each participant will supplement the treasury. Of course, you will furnish your own materials.

"New Horizons" is our program theme. Start your's now. If you haven't got a hobby, get one.

See you Tuesday September 10, 8 p.m., at St. Fabian's Social Hall.

Township Board Proceedings

A Regular Meeting of the Farmington Township Board was called to order on August 26th, A.D. 1963, at 8:11 P.M. by Mr. Curt Hall, Chairman.

Members present were: Mr. Joseph T. Brennan, Township Attorney.

Forest Park News

ALVIRA DALEY 476-3877

Forest Park's annual Aquatics, Symphony in Swing, was presented at the subdivision pool, last Friday evening by many enthusiastic spectators. The smallest performers, some of them mere infants, stole the show with their dexterity in the water. Everyone connected with the show did a fine job including Jerry Weiss, Master of Ceremonies; Wendy Nabbidinn, Choreographer; Roger Klein, Pool Director; and James "Wood" Woodhouse, Assistant Pool Director. The pool closes for the year on September 8.

September is going to be an exciting and interesting month for the residents of Forest Park because of the many entertaining events taking place.

DO YOU LIKE to sing or dance or both? If you do, plan to attend the Hootenanny and Street Dance to be held Saturday, September 7, at 9 p.m., the same place as last year, at the park area, corner of Treadwell and Ontaga. Wear your most comfortable clothes, especially shoes and come prepared to have an enjoyable evening. Everything is free, including refreshments of cider and doughnuts.

On Saturday, September 14, at 1 p.m. the Forest Park Garden Club is sponsoring a flower sale at the park area. Flowers will be on sale as well as numerous bulbs, such as iris and crocus. These articles will be supplied by a grower who lives nearby and have a replacement guarantee. One of the features of this event will be a "peony pot" sale offering used flower pots and vases in various colors and shapes at very low prices. Avoid the crowd and disappointment, get the best bargains by shopping early.

THE MEETING room of the new First Farmington Savings and Loan Assn., in the Farmington Plaza will be the location of a membership Tea and Flower Show given by the Garden Club on Wednesday, September 18, at 8 p.m.

A warm invitation is extended to every woman in the subdivision to attend this event. It will be a good chance for everyone to get acquainted with others in the neighborhood and to learn about the varied activities of the club. There will be flower arrangements on display which will be judged by Mrs. Harold Brown and Mr. Arthur Schaidenbrand of the Farmington Garden Club.

The Garden Club is involved in another activity, also. They have taken over the maintenance of the park area. The women will be doing the necessary cleaning up, weeding and other preparations for fall seeding. The club intends to plant many bulbs this fall in anticipation of a more beautiful park next spring.

Mr. and Mrs. Art Priemer of Treadwell spent an interesting vacation last month. Marge

Priemer drove to Placenta, California, with her brother-in-law and his wife, Mr. and Mrs. Roy Priemer, stopping in Las Vegas, for a day, en route. Marge went to Placenta to be with her sister, Mrs. Shirley Bold, for two weeks while she, Shirley, had a baby but the work was late so she remained for four weeks. The last week she was there, Art drove out and joined her. They spent another week in California, going north to Marysville to visit Marge's parents, Mr. and Mrs. Harold Stark, who are gold prospectors. They took Art and Marge up in the hills near LaPorte where they panned for gold. Coming home, they took time to visit beautiful Lake Tahoe and the famous Carson City, Nevada.

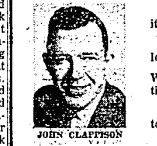

Pride plays thanksgiving, but a humble mind is the soil out of which thanks naturally grow. —Henry Ward Beecher

He enjoys much who is thankful for little; a grateful mind is what we do, and the best of both a great and a happy mind is economy and riches. —Thomas Secker
