U. of M. Offers New Extension Course Here

Farmington has again been selected as a site for a graduate or undergraduate level course through the University of Michigan Extension Service. The course offered here will be fully acceptable for application toward a degree. This year, "The Deviant Individual," psychology 455, a two-hour credit course, will be taught at Farmington Senior High School on Wednesday nights beginning September 11 at 7:30 p.m. THIS COURSE is deservedly popular because it deals with what is surely one of the most fascinating subjects in the world, people who have problems. Briefly, "The Deviant Individual" is concerned with this wide range of personality and behavior disorders which are called neuroses, psychoses and psychopathic states. The course seeks to help the person how he lives and how he can be made a healthier and happier individual. Interested persons are requested to register at the first class session.

Congratulations to Lynn and Ed Kretz whose baby son, David, was born on July 25. Sister Glen was happy to welcome her baby brother home. Meadowlark Ave. has welcomed two new families recently. Charles and Mary Wischmeyer have transferred from Lansing, Mich. to their new home here. The Wischmeyers have six youngsters: David, 10; Julie, 8; Joanne, 6; Joanne, 4; Chuckie, 3; and Douglas, 4.

The Hobb family, Anna and Rex, and children Don, 11; Randy, 8; Ricky, 3; and David, 10 months, have moved here from Wayne, Mich. K. E. Richter, 12-year-old son of the Don Richters of Robinson, is a mighty proud gardener. Kenny labored many long hours in his garden this summer. His prize exhibit is a 5 lb. zucchini (squash to the rest of us). **RICHARD DEGON**, son of Dick and Dorothy Degon, has left for the life of the United States Military Academy at West Point, New York. The Roy Willards have been kept busy entertaining relatives and friends during the past vacation season. Betty's brother, Gordon, his wife Stacia, and their youngsters, Mary and Mark, came from Watska, Ill., to spend a week. Mr. and Mrs. Charles Willard and family visited on Cleveland. Friends who visited were the J. A. McKays, the Weber family, Mr. and Mrs. Fisher, a family from the Cleveland area. The Jack-Murray family entertained Mr. and Mrs. Charles Craig and their four children from Los Angeles recently.

Roland and Pat Clouse and son, Bill, celebrated their wedding anniversary last Saturday evening. A dinner at Mario's was followed by a trip to the Elmwood Country Club to see Sammy Davis Jr. perform. Our vacationing neighbors who have returned relaxed and ready for the old grind are the Jones family, the John McConeys, and the Bob Cooks; who chinked up 2,000 miles on their trip. Bob and Mary Besakle vacationed with their children in Decatur, Illinois. Their return was delayed by the death of Bob's grandmother.

Mr. and Mrs. Jack Elston, of 23229 Lilac, gave a neighborhood picnic and cook-out recently, that was thoroughly enjoyed by the residents of the North Lilac area. Cold weather forced them all in doors eventually. The families attending were Mr. and Mrs. Fred Grose, Mr. and Mrs. William Blome, Mr. and Mrs. Jim Richards, Mr. and Mrs. Nelson Todd, Mr. and Mrs. Robert Young, Mr. and Mrs. Warren McManie, Mr. and Mrs. Grace Bailey. Incidentally, Mrs. Bailey has since moved to an apartment in the River Glen. The new residents in her former home are Mr. and Mrs. Tom Young and their children — Bette Jo, 14; Tom Jr., 10; Paul, 8; and Andy, 11 months. Mr. M. M. Young works for the National Cash Register Company, and was transferred here from Fort Wayne, Indiana. They are original Michigan residents though, so it is like coming back home.

MR. AND MRS. BLOME are happy to have their son Gary home for three weeks vacation, prior to his return to Michigan State at Lansing, for the fall term.

Mr. and Mrs. A. J. McDonald, of 23255 Violet, now have their sons Pat and Jim home and through with their duty in the U.S. Navy. They served on the U.S.S. Tidewater at Norfolk, Virginia. The Tidewater is a destroyer tender.

Mr. and Mrs. John Cowgill, of 23100 Orchard Lake Blvd., and their daughter Maureen, ten years old, who has passed her first test of eight to qualify as a figure skater with the Detroit Figure Skaters Association. Most of the summer she practiced at the rink in Troy, Michigan. She is now working on the second test. For a vacation she flew to California to visit her grandparents in Fullerton.

While there, she practiced her figure skating at the rink in Anaheim. If Maureen is successful in passing all eight tests and gains a few more years experience she will qualify to contest in the International Olympics.

Incidentally, Mr. Cowgill informs us that they are moving to Staman Acres soon, so they will be missed in Floral Park.

Since World War II, state highway departments have built more than 183,000 miles of new roads. But in the same period automobile manufacturers made so many new cars that it would take more than 264,000 miles of highway just to park them bumper to bumper.

Engineers' Soc. To Meet Tonite

The Oakland Chapter of the Michigan Society of Professional Engineers will meet Thursday, September 12, at 7:30 p.m. on Fine Line for dinner at 7 p.m. Speaker of the evening will be Roy Olson, national safety engineering consultant with the Michigan Mutual Liability Co., course director of construction safety at Michigan State University, and member of the executive committee of the National Safety Council. His talk, titled "Life, Destiny, and Safety," will deal with what happens during an auto accident. This will be the first meeting of the 1963-64 year for this group of over 140 registered professional engineers who work or reside in Oakland County.

The University of Michigan was the first university in the nation to de-emphasize the classical college curriculum and sponsor such newer studies as the sciences and foreign languages, in 1842.

Kickball for girls 8, 9 and 10 was won by Chris Washburn. Susan Poirer won second and Linda Revard won third. Kickball for girls 11 and up was won by Karen Oakes with Debbie Dorsh winning second prize and Susan Antonow winning third.

The boys Kickball for 5, 6 and 7 year olds was won by Robert Jones. The Egg Toss was the highlight of the afternoon for the older children. Karen Oakes and Gary Smith won first prize, Doug Hamilton and Julie Wischmeyer won second place.

The Penny Scramble was the bit of the day for the scores of pre-schoolers who gathered in a delightful frenzy searching for pennies which they took home as a prize. Refreshments of hot dogs, "pop" and ice cream, and gifts were given to all the children, in addition to the prizes awarded for the games for the children.

A vote of thanks also to Gary Green's fine committee who worked so diligently to make this day possible, and to Ray Sherpits, who directed the games for the children.

OUR ILLS and pills department has a tiny occupant. Any Kathleen Inch, daughter of Sandy and Jack Inch, received a Penicillin shot at the tender age of two weeks. Three-year-old Michael Clouse seems to be rushing the season—Michael is swollen with a large case of mumps.

Bobby Bergdahl and Jeffrey Murray have both returned home from St. Mary Hospital.
