

1964 Thunderbird Sets New Standard of Elegance

The 1964 Thunderbird is the tenth generation in a classic line that began in the mid-1950's with a small two-seater and has been widely imitated throughout its 10 years of existence.

The 1964 model is the fourth in the Thunderbird line to be completely redesigned. It's styling focuses the new standards of elegance, convenience and performance, but leaves intact a "family resemblance" extending back to 1954, the year the first Thunderbird was introduced.

THE THUNDERBIRD was created to fill a need for a personal car in the American market. Although Ford Motor Company expected yearly sales of around 10,000 actual sales of the first models exceeded 15,000.

THE VILLAGE Woman's Club, 910 East Long Lake Rd., Bloomfield Hills, will open its new Education Building in time for fall classes. Shown looking over plans for this addition are the first three program chair-

—men of the club. (left to right) Mrs. Willys Wagner, Mrs. Warren S. Booth and Mrs. Brooks Marshall. Classes are open to anyone interested. Registration may be taken at the clubhouse.

Farmington Students Compete For Nat'l. Merit Scholarships

Principals Mr. Harold Humble and Mr. James Gierke of the Farmington public high schools announced this week that 4 Farmington students have been named Semi-Finalists in the 1963-64 Merit Scholarship competition.

They said the four students became Semi-Finalists through their outstanding performance in the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 16,000 high schools last March.

THE STUDENTS cited for their high achievement were Michael F. Gale, Drew W. Hedgie, Gloria E. Mingo, Gilbert E. Preuss and Nancy A. Weller.

Sister Marlin Clare, principal of Our Lady of Sorrows High School, has also received word that two Our Lady of Sorrows students are among the Merit Scholarship Semi-Finalists. They are Karen Petersmarck and Sharon Sullivan.

Sharon's family moved to Philadelphia during the past summer, and Sharon is in her senior year there.

Karen is the daughter of Mr. and Mrs. John Petersmarck who reside at 30020 Twelve Mile Road.

Both Karen and Sharon have been members of Our Lady of Sorrows National Honor Society. Karen was awarded the privilege of being a member of the High School Honors Science Institute at Michigan State University during the past summer.

TO INCREASE their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names of Semi-Finalists to all accredited colleges and universities and to other scholarship-granting agencies and financial aid sources.

Studies show that about 50 per cent of the Semi-Finalists obtain financial aid from some source or other than the Merit Program.

IN PAST YEARS, about 97 per cent of the Semi-Finalists have become Finalists. All Finalists receive a Certificate of Merit in recognition of their outstanding performance in the program. As Finalists, the students will be eligible for school and college awards sponsored by NMSC and about 175 business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.

In this last phase of the competition, the high school grades, creative accomplishments, leadership qualities, extracurricular activities, and school citizenship of the students will be evaluated along with their scores on the tests.

About April 23, 1964, the names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program. In 1963 NMSC and sponsors together awarded about 1,500 Merit Scholarships. Each Merit Scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

AWARDS MAY reach a maximum of \$8,000 for the four years of college. For students who already possess financial resources which will enable them to attend the college of their choice, the awards are

Art Classes Offered Here

A new five-week series of Saturday art classes will begin for interested students of the Farmington area on Saturday, October 5, at Farmington Senior High School. The classes, a pre-arranged in cooperation with the Detroit Institute of Art and are taught by qualified art teachers hired by the Institute.

A MATERIALS fee of \$7.50 is charged for the five workshops. Learning experiences with such materials as paint, clay and paper will be conducted using some of the many facilities of the Institute to motivate the children's activities.

Enrollment forms for the classes are available from the school office (GR. 4-5132) and have been sent to parents of children grades 1 through 6 in the Farmington Public Schools. All interested students in the area are invited to attend classes.

Some Pumpkins In Farmington May Be Winners

WXYZ-TV is offering \$1 a pound for Michigan's largest pumpkin, or if the winner donates his reward to a favorite charity it will be worth \$2 a pound.

The deadline date for entries is October 15. Entrants are to submit their pumpkin weight by postcard to: Halloween, WXYZ-TV, Detroit 19, Michigan.

THE TOP FIVE pumpkins will be displayed and judged, Sunday, October 20, at 9:30 a.m. on the award winning program "Rural Newsweek."

Johnny Gieger's Show, seen weekdays at 7 a.m., will be the location for making Michigan's biggest Jack-O-Lantern to be placed in the window of Broad Street House for Halloween. The giant pumpkin will be seen on "The Big Show," "Prize Movie," "After Hours with Ed McKenzie" and "The Johnny Gieger Show" for the rest of the month to set the mood for October 31.

There is no gain so certain as that which accrues from sparing what you have.

The '64s from Ford are here:

The Year of the Test Drive starts today!

Ford cars have changed. Only a test drive can tell you how much. Races and rallies, economy runs, braking and acceleration tests have bred into our 1964 models the kind of total performance you just can't create on the test track alone. They are hard-muscled, fast-moving, sure-footed. Open competition helped make them that way. They offer you substantially more car than anything at their price. You don't have to take our word for it. We're willing to rest our case on our cars.
