a change of heart

Sometimes, a deep change of heart can affect a man's whole pattern of life. He sees things differently. It's the change that comes through a clearer idea of God, when you catch a glimpse of the real meaning and joy of life. Another word for it is reformation. You're invited to hear a one-hour public lecture on this subject by Otto Bertschi of The Christian Science Board of Lectureship. Title: "The Meaning of Reformation." Everyone is welcome.
