

Executive Board Meeting Held by Wooddale PTA

The executive board meeting of the Wooddale P.T.A. met October 14 at 8 p.m. President William Rupp had also called for committee chairmen to be present. The response was splendid and it was agreed that all committee chairmen be present at future board meetings.

The Pollock Dinner, for the Nov. 5 P.T.A. meeting was planned, which will be buffet style and tables set up to group the different neighborhoods. The speaker for the evening will be Mr. William Emerson, Supt. of Schools of Oakland County. He will speak on "The School Drop-Out Problem." Mr. Herbert R. Neal, Trustee on the Farmington Board of Education, will give a talk on the special election of November 5. We will also be honored with the presence of Mr. M. J. Amey, Asst. Supt. of our schools.

MR. DON McCLELLAN, Father Vice President, also Safety Chairman, reported on the safety patrol schedule. Out of 125 slips received, 29 volunteered for duty, 54 either worked or had small children and 32 gave miscellaneous excuses. Mr. McClellan stated that this meant that a two-week duty would be required of the volunteers. For those who have not returned their slips, you will see if you have misplaced them, just write to the effect that you can serve on the patrol and the time as to morning or afternoon.

Mr. Scott Brown, chairman of Budget and Finance, was asked to ready his report for the Nov. meeting. Movies were voted upon as the project for fund raising. Watch for announcements as to dates and time.

PRESIDENT RUPP brought out a thought that he has existed in many minds, "What is the real function of the P.T.A.?" If there is a chance he will try to get an official from the Michigan Congress of Parents and Teachers Association to inform us correctly. More on this in the future.

Upon finishing old business, the general meeting brought up the controversial problem of safety guards. President Rupp, acting on requests of some of the parents, who wanted clarification on safety proceedings at Peppermint and Green Willows, formed a committee to discuss this with the Township and School Board Officials.

Mrs. Betty Goetzke, school education chairman, was asked to represent us at the Citizen's advisory meeting.

BEST WISHES and a speedy recovery is wished by all to Len Gaskin wife who has recently undergone surgery. Len is the owner of the Mobile Station on the corner of Farmington and Grand River. He is one of our volunteer firemen. He has always admired him for this he is able to find in during the day when most of our volunteers are at work far from here. He has also come to the rescue many times when I would sound my alarm that I was stranded in my garage with a flat tire or car trouble.

Plan Franklin Knolls Women's Club Meeting

Club Day for the Franklin Knolls Women's Club is the first Thursday of each month. November 7 is the next meeting.

All will be most interested in this program, pictures of Camp Oakland. This is the camp the PKWC helps support and even though there have been reports from various members who have visited the camp and read a great deal about it this will give everyone the feeling they have been there and also to understand better what is accomplished by the Club's contribution.

There will also be a discussion on a Couple's Party. The Board meeting ideas sound like fun and a wonderful way to really mix and see everyone without getting lost in the crowd. Sound interesting?
