THAT DARN COUGHING

> I couldn't go two feet without coughing and sputtering like I had consumption . . . or something!

Then I met this sharp little sports model and she said "Big Daddy, you ain't hittin' on all 8." She told me I'd better get with the "Motor Does" at BILL ROOT CHEVROLET in Farmington 'cause they're the most

Well, I got "hip" ... BILL ROOT'S Service Department is the most ... Why, they cleaned my plugs, adjusted my carburetor, tuned me up for the winter months ahead .... Didn't cost much, either.

Now my owner says I purr like a "swinging cat" . . . If your engine is starting to cough and sputter, you better "swing in" to BILL ROOT'S before cold weather catches you
