

# City of Farmington Council Proceedings

A regular meeting of the Council of the City of Farmington was held on November 4, 1963.

Meeting called to order at 8:15 p.m. by Mayor Pro-Tem Brotherthorn.

ROLL CALL: Councilmen Brotherthorn, Forrest, Peterson and Thayer present. Absent: Lindbert.

**CITY OFFICIALS PRESENT:**  
City Manager, Dinan; Clerk Quinn and Attorney Kelly.

**RESOLUTIONS AND COMMUNICATIONS:**  
A. LETTER: MAYOR LINDBERT RE: BAYARD TUPPER ASSIGNATION - PLANNING COMMISSION.

The Clerk read a letter from Mayor Lindbert to Bayard Tupper regarding his resignation from the Planning Commission. Motion by Forrest seconded by Peterson that the following letter be made a part of Council record. Motion carried, all ayes.

November 1, 1963  
Mr. Bayard Tupper  
32715 State St.  
Farmington, Michigan

On behalf of the City Council and the citizens of Farmington I would like to express our profound appreciation for the service you have rendered the community for the past decade. You are a member of the City Planning Commission.

It is individuals such as yourself that give us a feeling of their time to civic affairs with no monetary remuneration that certainly is a fine example of good citizenship.

Your leadership and experience in the field of planning will certainly be a loss to the commission. Being a charter member of the newly formed Planning Commission in February 1953, through the years you have had the self-satisfaction of seeing Farmington progress from a small hamlet to an urbanized community but still retaining the quaintness of a small town and the services of a metropolitan area. The community owes you a debt; that it will be very difficult to repay other than the reward of knowing you have done a job well. It is with deep regret that the City Council accepted your letter of resignation from the Planning Commission due to ill health and they would like to extend their wish for the very best to you in the future.

Sincerely,  
ROBERT B. LINDBERT  
Mayor

**B. BOY SCOUTS NO. 45, RE: PERMISSION TO SELL CHRISTMAS WREATHS.**

Letter read from Boy Scouts Troop No. 45, sponsored by First Methodist Church, requesting permission to sell Christmas wreaths in the City.

Motion by Peterson seconded by Forrest that the following resolution be adopted.

**RESOLUTION:** That the City Council authorize the City Manager to enter into an agreement with the Boy Scouts of America, Troop No. 45, for the sale of Christmas wreaths in the City of Farmington during the month of November, 1963. Motion carried, all ayes.

**REPORTS FROM CITY MANAGER DINAN:**

**A. PROGRESS REPORT:**  
City Manager Dinan reported that he had contacted the Detroit Railway System regarding their submitting the schedule and routes for proposed extension of their bus service from Detroit into Farmington.

It will be necessary that the D.R.S. should be in a position to submit the proposal in approximately two weeks.

**MAGIC SQUARE, FLANDERS SCHOOL:**  
City Manager Dinan reported that the Farmington Board of Education decision of proposal submitted by the Farmington Meadows Home Owners' Association on the location of Magic Square at the Flanders School has been delayed for a minimum of two weeks.

The City Manager stated that if the Board of Education approves the proposed location, a drastic change in weather conditions could result in construction of the Magic Square as a spring project.

City Manager Dinan stated that he would contact the contractor relative to extension of the contract until next spring for the installation of whether it would be necessary to rebuild the project.

**R. REPORT REQUEST CORPS OF ENGINEERS SNAGGING AND CLEARING PROJECT RIVER ROUGE SOUTH 1.96:**

City Manager Dinan reported that the City has been advised by the Michigan Waters Resources Commission that the condition of the Rouge River from 1.96 Expressway to Eight Mile Road is in critical condition and the work that the Michigan State Highway Department did installing new box culvert at the Expressway will not operate 100 per cent efficiently due to the condition of the stream south of the Expressway.

Mr. Granger of the Water Resources Commission has advised the City Manager's office that there is Federal Legislation and this situation relative to the City, Section 28 of Flood Control Act, 1954, that authorizes the Corps of Engineers to spend up to \$100,000 on any single tributary during any one fiscal year for removal of accumulated snags and other debris in the clearing and straightening of stream channels if in the opinion of Chief Engineers such work is definitely in the interest of flood control. The City would be in a good position to receive this improvement under the Flood Control Act through the Corps of Engineers.

City Manager Dinan stated that the City will receive bids for the sale of \$14,000 Special Assessment District Paving Bonds on November 18, 1963, at 8:00 p.m., for the construction of pavement on Nine Mile Road from Farmington Road to Gill Street.

**R. REPORT REQUEST CORPS OF ENGINEERS SNAGGING AND CLEARING PROJECT RIVER ROUGE SOUTH 1.96:**

City Manager Dinan reported that the City has been advised by the Michigan Waters Resources Commission that the condition of the Rouge River from 1.96 Expressway to Eight Mile Road is in critical condition and the work that the Michigan State Highway Department did installing new box culvert at the Expressway will not operate 100 per cent efficiently due to the condition of the stream south of the Expressway.

Mr. Granger of the Water Resources Commission has advised the City Manager's office that there is Federal Legislation and this situation relative to the City, Section 28 of Flood Control Act, 1954, that authorizes the Corps of Engineers to spend up to \$100,000 on any single tributary during any one fiscal year for removal of accumulated snags and other debris in the clearing and straightening of stream channels if in the opinion of Chief Engineers such work is definitely in the interest of flood control. The City would be in a good position to receive this improvement under the Flood Control Act through the Corps of Engineers.

Councilman Peterson stated that following the removal of parking meters on Grand River, there is excessive overtime parking and suggested that the City consider the possibility of enforcing the one-hour parking when signs are installed.

City Manager Dinan stated that the signs would be installed following delivery.

Mr. W. Allen Nelson, 23708 Warner, suggested that the City Manager consider the possibility of enforcing the one-hour parking when signs are installed.

City Manager Dinan stated that the signs would be installed following delivery.

**AD. ADOPTION OF ANTI-BLIGHT ORDINANCE:**  
Motion by Thayer supported by Forrest to adopt and enact the following Ordinance:
