**Slate Speaker  
At Kenbrook**

On November 19 at 8 p.m. at the Kenbrook Elementary School Mr. Neal Young of the Michigan Bell Telephone Company will show an educational film and hold a discussion pertaining to "What's New in Educational TV."

Kenbrook will open their meeting with a Flag Ceremony. Hostesses for the refreshments will be room representatives Mrs. Harriet Strom, Mrs. Mary Ghney, and Mrs. Myron Scott.

American Education Week is celebrated from November 10 to the 16. On the subject of education, Joseph Addison said on November 6, 1711, "I consider a human soul without education like marble in the quarry, which shows none of its inherent beauties 'till the skill of the polisher fetches out the colors, makes the surface shine, and discovers every ornamental cloud, spot and vein that runs through the body of it."

The Civil War budget of President Lincoln—roughly 100 million—would run the present government just about 8 hours.

Uncle Sam is the world's biggest spender, borrower, lender, employer, property owner, tenant and insurer.
