

Falcon Matmen Begin Drills

With after school practices under way, Falcon Wrestlers are beginning to form a solid line-up made from six returning lettermen and a full program of promising J.V.'s. Two weeks of conditioning and practice have been held to develop the squad," reported Coach Bill Gucelardi.

Six lettermen are returning to shape the squad. They are Juniors Bill Bassell, Art Wehr, Ron Mortenson and Seniors Dick Sprague, Dave Richie and Fred Bost.

You will see these and other grapplers at the Winter Sports Assembly tomorrow, November 15, during second period. A few team members will engage in small matches to introduce the student body to the wrestling program at FHS.

Raiders Close '63 Grid Season With 6-3 Mark

North Farmington closed out their 1963 campaign as the Vikings of Walled Lake riddled the Raider defense for 34 points while holding Northern to 7.

Walled Lake powered their way to a 21-point bulge in the first quarter on the passing of quarterback John Thomas. The Vikings added six more in the second stanza despite a tightening Raider defense.

NORTH FARMINGTON, though down 21 points at the intermission, came back to hold the Lakers in the third period while notching their lone small match to introduce the student body to the wrestling program at FHS.

Quarterback John Thomas led his mighty Viking squad in seven more points in the final 12 minutes to end the struggle.

The Raiders overall record for the 1963 season is 6 wins against 3 losses.

Elks Toy Drive Now Underway

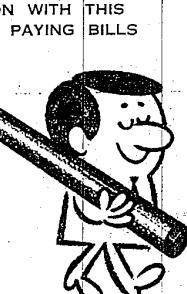

The Farmington Elks Lodge is again asking area residents to search their homes for old or broken toys. The Elks fix up old toys and their auxiliary, the Vivians Club, makes old clothes, which all go toward the annual project of providing the children of needy families with Christmas presents.

Those who have worn out toys or dolls they would like to contribute to the Elks Christmas project are asked to drop them off at the Elks Lodge on Grand River Avenue in downtown Farmington.

The toy rejuvenation program this year is lagging due to the scarcity of contributions which the Elks and Vivians are receiving.

'Dropouts' Is Theme for Gill PTA Meetings

For several years parents and educators have been concerned about the student dropout problem. As we face this problem several questions pre-

1. What are some of the causes for children deciding to drop out of school?

2. Where does the problem start?

3. What are the symptoms of the early drop-out?

4. Who can parents and teachers do to keep the child's interest alive?

5. What can be done to keep the slow learner?

6. Does our educational program meet the needs of our children today?

In an attempt to answer these and other relative questions the Gill School PTA has selected for its theme for the November, January and February meetings the topic, "The Drop-Out."

On Tuesday evening, November 19, at 8 p.m., Mrs. Douglas Parres will speak on the subject, "Special Education and Its Role in Salvaging Children."

On January 21, Dr. McKinney will present the topic, "Society and the Drop-Out," and on February 18 Dr. Lafferty will speak on "Parents and Teachers: Their Influence on the Drop-Out."

Clarenceville PTA To Meet November 17

As a follow-up to the October program, the Clarenceville Jr. Sr. High School PTA will meet on November 17 on the topic, "What Can We Parents and Teachers Do About Our Adolescent's Concerns?"

The panel, with Mrs. Bass as moderator, will discuss the suggestion made by Dr. Richard Schmuck at last month's meeting.

Election of officers for this year will also be conducted at this meeting in the high school cafeteria at 8 p.m.
